### Limb Deficiency (LD), Impaired Passive Range of Movement (PROM) (K40)

This group includes athletes with limb deficiency and impaired muscle strength, or loss of passive range of motion (PROM). The limb deficiency group includes individuals with traumatic amputations or dysmelia. The impaired muscle strength group includes loss of strength secondary to peripheral nervous system (PNS) damage or a brachial plexus lesion. The impaired strength group can also include ambulatory neurological impairments such as monoplegia, or mild hemiplegia. The loss of PROM can be due to joint contractures, joint abnormalities, or soft tissue restrictions. Finally this group could also include loss of great toe, or all of toes in one foot Minimal Impairment Criteria (MIC) Amputation/Dysmelia:

- Unilateral amputation, through or above wrist (i.e., no carpal bones present in affected limb). Arthrodesed wrist joints are not eligible.
- Unilateral dysmelia in which the length of the affected arm measured from acromion to finger tip is equal in length or shorter than the combined length of the humerus and the radius of the unaffected arm.

Athlete must meet one of the MIC as per below:

1. Must lose three muscle grades – e.g Daniels and Worthington grade 2 cannot complete one heel rise to 25 degrees. In lying may complete full range of motion with resistance.

(See Muscle testing Daniels Worthingtons 8th edition pp 229, 231)

2. Brachial plexus – loss shoulder abduction loss of three (3) muscle grade points of

muscle strength and same for shoulder flexion

3. Loss of two (2) grade points of muscle strength in elbow flexion and extension

4. Meets one criteria for PROM restriction in either the lower extremity or upper extremity.

Weigh in of Kyorugi athletes will be held in connection with the classification.

## **Poomsae (P30)**

- Monoplegic Grade 1 to 2 spasticity in major joint, either the ankle or the elbow

- Athetosis, Ataxia or Mixed Cerebral Palsy

This Athlete may appear to have near normal function when running but the Athlete must demonstrate a limitation in function to Classifiers based on evidence of spasticity (increased tone), ataxia, athetosis or dystonic movements while performing on the field of play or in training. The Athlete may walk with a slight limp but runs more fluidly.

## **Pre-Screening Classification**

In the case that you are uncertain if your athlete will meet the Minimal Impairment Criteria (MIC) for participation in the K40 or P30 classes please contact the WTF at [para-tkd@wtf.org](mailto:para-tkd@wtf.org) and a classification pre-screening can be made to help advise you if the athlete will meet the MIC or not.

Please be advised that Pre-Screening does not replace classification and that the athlete will still have to go through classification at the championships.

## **Poomsae (P20)**

Intellectually Disabled (ID) athletes require INAS provisional eligibility as seen on the INAS Master list <http://www.inas.org/technical/eligibility-and-classification/inas-master-list/>. Applications for INAS provisional eligibility shall be made through the INAS member organizations which can be found on the following link: <http://www.inas.org/about-us/member-organisations/>. In the case that a WTF MNA does not have an INAS member organization the application for provisional eligibility can be processed through the WTF. **We ask that you get this process started as soon as possible as it can take INAS up to 30 days to process your applications.** For more information see the following links:
