**ORGANISING COUNTRY**

The member of FISU of the country organising a FISU sporting event

**COUNTRY**

The NUSF of a country entitled to enter teams in FISU sporting events or other authorised organisation entitled to do so

**CANDIDATE COUNTRY**

The member of FISU of a country offering its candidature to organise a FISU sporting event

**SPORT**

A sport is that which is governed by an International Sport Federation. Within FISU sport refers equally to “sport” and “sport discipline”.

**SPORT DISCIPLINE**

A sport discipline is a branch of a sport comprising one or more events.

**SPORT EVENT**

An event is a competition in a sport that gives rise to a ranking.

#### **TEAM SPORTS**

Are considered to be "team sports": basketball, football, volleyball, water polo, baseball, etc.

#### **INDIVIDUAL SPORTS**

Are considered to be "individual sports": artistic gymnastics, athletics, diving, fencing, judo, rhythmic gymnastics, swimming, table tennis, taekwondo, tennis, archery, badminton, golf, roller sports, weightlifting, wushu, etc.

#### **TECHNICAL OFFICIALS (TOs)**

Technical Officials include referees and judges and other sport-specific officials that are required for the smooth running of the sports competitions. There are International Technical Officials (ITOs) and National Technical Officials (NTOs) in accordance with the rules and regulations of each sport. In principle, ITOs take the senior-officiating positions. They are nominated by the ISFs or proposed by the NUSFs according to the technical regulations of each sport, and approved by the FISU CTI-UE. The numbers and functions of ITOs vary according to the sport. NTOs are nominated by the NSFs in consultation with the OC and are taking a support role.

#### **PARTICIPATION FEE**

A participation fee is the fee that an Organising Committee is entitled to collect from the participating countries, per day and per person, to cover accommodation, food and beverages, transportation and other associated local services that are relevant for participating in the Summer Universiade, and in accordance with FISU rules.

#### **UNIVERSIADE PARTICIPANTS**

Universiade participants refer to all client groups holding a proper Universiade accreditation card during the period as indicated on their accreditation card, including the delegations, technical officials, media representatives, FISU Family and Guests, workforce, etc.

#### **UNIVERSIADE VENUES**

Universiade venues refer to all venues related to the organisation and operation of the Universiade, including but not limited to the following: the Athletes' Village, the competition venues, the training venues, the official hotels, the main media centre, the ceremony venues and the Universiade Park, etc.

Words importing the masculine gender shall include the feminine.

Words of the plural number shall include the singular.

Words of the singular number shall include the plural.

## **I. GENERAL REGULATIONS**

### **1 GENERAL TERMS**

- 1.1 The 29th Summer Universiade will be organised in Taipei City, Chinese Taipei, from 19 to 30 August 2017 by the Chinese Taipei University Sports Federation (CTUSF), under the auspices of the International University Sports Federation (FISU).
- 1.2 The Summer Universiade is organised every two (2) years, in odd-numbered years.
- 1.3 The Summer Universiade shall be organised in the FISU spirit, according to which no discrimination is allowed against any country or person on ground of race, religion or political affiliations.
- 1.4 The Summer Universiade must be staged in a dignified manner and without excessive commercialisation: it must be staged as a separate entity and, if possible, no other international sporting events or festivals should take place in or near the host town(s) or city(ies) during the period of the Summer Universiade and, preferably, not immediately prior to the event.
- 1.5 Only the following may take part in the Summer Universiade:
- a) An active member association of FISU
  - b) In the case of non-affiliation to FISU:
    - 1. A country whose Olympic Committee is allowed to take part in the Olympic Games;
    - 2. A country not having an Olympic Committee recognised by the IOC may take part in those sports for which there is a NSF of that country which is affiliated to the appropriate ISF. The FISU Executive Committee will take a decision for each sport in which the country wishes to participate;
- 1.6 Only competitors who satisfy the following conditions may take part in a FISU sporting event:
- a) be a national of the country they represent;
  - b) be at least 17 and less than 28 years of age on 1 January in the year of the event;
  - c) meet the conditions laid down under Art. 5.2;
- 1.7 The « Fédération Internationale du Sport Universitaire » (FISU) (International University Sports Federation) is an international, non-governmental, not-for-profit organisation, of unlimited duration, in the form of an association with the

status of a legal person in accordance with Articles 60 seq. of the Swiss Civil Code.

The registered office of FISU is established at its General Secretariat Office in Lausanne, Switzerland.

Accordingly, the international association is empowered to:

- negotiate candidatures
- sign contracts
- collect receipts
- manage any litigation and disputes that may arise

- 1.8 The present regulations for FISU sporting events constitute the law governing legal relations between all parties.

"Parties" mean all persons by public, private, physical or moral right, participating in the organisation of the Summer Universiade.

The organisers are obliged to provide the text of the present regulations to all persons who are apt to participate, from a sports or commercial standpoint, in the organisation of the games.

Consequently, the organisers are responsible for applying these regulations, without restriction, for all particular agreements.

- 1.9 In case of a disagreement in the interpretation of these sporting regulations, the French text will be regarded as authoritative.

#### **1.10 Intellectual properties**

- 1.10.1 The intellectual properties of FISU includes all copyright, patents, registered and unregistered trademarks, registered designs, trade secrets and know-how and all other intellectual property as defined in Article 2 of the Convention Establishing the World Intellectual Property Organisation of July 1967.

- 1.10.2 In particular, the following and their derivatives are the exclusive property of FISU:

- The FISU emblem
- The FISU brand-International University Sports
- The FISU anthem
- The Summer Universiade flame
- The designations of FISU events
- The emblems of FISU events
- Marketing and radio, television and other broadcasting rights

- 1.10.3 Only FISU may authorise the use of its properties or delegate their usage to an Organising Committee or a third party. In each case, the use of its properties

must be in accordance with the spirit and regulations of FISU. Any grant, licence or commercial use must contain the present regulation and be respected by the parties concerned.

#### **1.11 Designations**

- 1.11.1 Designations for FISU sporting events are "copyrighted" and are protected names. This means that they cannot be modified in any way and their use for advertising or commercial purposes must be authorised by FISU.
- 1.11.2 The designations for the event must be approved by FISU. They must be used in the same manner for all aspects of the event, whether printed or in another form. The designation may appear in the language of the host country, but it must also appear in English or French.
- 1.11.3 The designations of the Summer Universiade associated with the FISU emblem must appear on all official publications and promotional materials and in all the facilities and surroundings (starting numbers, scoring boards, billboards in all the stadiums and sports venues, flags and billboards surrounding the sports facilities and podiums).

#### **1.12 Emblems and Brand**

- 1.12.1 The FISU emblem and brand are "copyrighted". This means that they cannot in any way be modified and their use for advertising or commercial purposes must be authorised by FISU.
- 1.12.2 The FISU emblem brand must appear on all official publications and promotional materials, in the all facilities and surroundings (starting numbers, scoring boards, billboards in all the stadiums and sports venues, flags and billboards surrounding the sports facilities and podium).
- 1.12.3 The use of the FISU emblem and FISU brand must comply with the requirements of FISU.
- 1.12.4 The emblem for the event must be approved by FISU. The use of the emblem for the event is authorised for commercial purposes. However, the emblem may not be associated with the name of certain commercial companies, in particular in the area of alcohol and tobacco. In all circumstances, the association with another name or logo may not alter the official emblem; the other logo may not exceed one-fourth of the size of the official emblem.

#### **1.13 FISU anthem**

The FISU anthem is the "Gaudeamus Igitur". It is the only one played during the official ceremonies unless specified differently in the regulations of a ceremony.

It will be played during all official ceremonies included in the event programme of the Summer Universiade:

- a) Opening ceremony;
- b) Closing ceremony;
- c) Medal-awarding ceremony;
- d) Opening ceremony of the Athletes' Village;
- e) Delegation welcome ceremony;
- f) Flower ceremony;
- g) Team presentation;
- h) Any other ceremony which can be considered official.

#### **1.14 Advertising**

1.14.1 All advertising during the Summer Universiade, during the official ceremonies - opening, closing, medal-awarding - at the competition and accommodation sites must be submitted to FISU for prior approval.

1.14.2 Advertising on equipment and sports clothing must be in accordance with the regulations of the appropriate ISF.

For all advertising, the Organising Committee must follow the requirements of FISU.

1.14.3 The Organising Committee will reserve "advertising spaces" for the FISU emblem and the designation of the events in all facilities and surroundings, scoring boards, banners, equipment, and starting numbers (bibs), etc.

1.14.4 FISU has the right to reserve advertising spaces in competition areas following the dispositions included in the attribution contract and the application rules concerning advertising.

1.14.5 The Organising Committee must follow the requirements of FISU for all advertising. The FISU Summer Universiade and Visual Identity Guidelines must be followed for the visibility of the referred FISU emblem and FISU brand.

#### **1.15 Commitments of the organising country**

1.15.1 The mandate of holding a FISU sporting event shall be entrusted to an active member association of FISU.

1.15.2 The organising country and venue(s) of a FISU sporting event shall be determined by the FISU General Assembly which may delegate this authority to the FISU Executive Committee.

- 1.15.3 On behalf of the host country, the NUSF and the Organising Committee undertake to:
- a) Comply with the FISU Statutes and Internal Regulations and adhere to the regulations of the Summer Universiade and to the “FISU Minimum Requirements”;
  - b) sign the official attribution contract of the Summer Universiade at the time of the attribution and countersign it within six (6) months after the official attribution, when the Organising Committee has become legally incorporated;
  - c) obtain formal guarantees from their political authorities that they will provide the necessary cooperation for the success of the Summer Universiade;
  - d) obtain formal guarantees from their government that all competitors and officials from all countries entitled to participate in the Summer Universiade will encounter no difficulties in attending the Summer Universiade or in leaving afterwards;
  - e) give formal guarantees that throughout the Summer Universiade no political meetings or demonstrations shall be held in the stadium or other sports grounds used for the Summer Universiade, nor in the competitors’ housing area and that they shall not use the Summer Universiade for any purpose other than in the interests of university sport;
  - f) obtain guarantees from the National Sports Federations, the sports of which are included in the Summer Universiade programme, that they will provide all technical support for the supervision and realisation of the sports competitions;
  - g) ensure exclusive rights to FISU concerning the Summer Universiade television broadcasting and/or all other technical means of transmission;
  - h) pay to FISU the fees for the organising rights and their share of television broadcasting and marketing rights, as determined in the attribution contract;
  - i) protect the FISU emblem (the official “U” and associated terms), the FISU brand as well as the official emblem of the Summer Universiade (cf. Art. 4.9.5) to the benefit of FISU;
  - j) obtain formal guarantees from their political authorities that they will provide the necessary cooperation for the security of all Universiade participants during the Summer Universiade;
  - k) apply the International Sports Federations’ rules, national and local laws concerning security in all sports venues;
  - l) comply with the FISU marketing rules;

- m) follow Art. 11.10 and the technical regulations for each particular sport with regards to the provision of technical officials;
- n) be a signatory of the WADA Code and have ratified the UNESCO International Convention against Doping in Sport.

## **2 SPORTS PROGRAMME**

The Universiade sports programme includes compulsory and optional sports.

### **2.1 Compulsory sports**

The sports programme of the Summer Universiade shall last twelve (12) days and include:

Artistic Gymnastics	(men and women)
Athletics	(men and women)

## **2.3 Preliminary rounds**

Should the number of entries for team sports exceed the maximum, as stipulated in the respective sport technical regulations (Section II), the FISU Executive Committee will decide on the selection process (cf. Art. 11.7).

## **2.4 Cancellation**

A sports competition may be cancelled by the Organising Committee in agreement with the FISU Executive Committee if, at the closing date for Quantitative entries, the number of participants is less than:

- a) Individual events: eight (8) (from at least four (4) countries)
- b) Relay events: four (4) teams
- c) Team events:
  - men: six (6) teams
  - women: four (4) teams
  - mixed teams: four (4) teams

For the above, there must be entries from at least two (2) different continents.

The Organising Committee shall be responsible for advising all participating countries two (2) months before the opening ceremony of any cancellation of event(s) resulting from a lack of entries. No cancellation of event(s) is permitted after this time.

## **2.5 Dates**

The 29th Summer Universiade 2017 Taipei, Chinese Taipei, will be held from 19 to 30 August 2017.

The Athletes' Village will be opened from 12 August to 2 September 2017.

## **2.6 ISF Calendar**

The Organising Committee is responsible, through the relevant NSF, for the registration of the event in the calendar of each appropriate ISF.

# **3 RESPONSIBILITIES OF FISU**

## **3.1 Generalities**

- 3.1.1 FISU shall have complete control over the Summer Universiade but shall entrust the FISU member of the organising country with the organisation of the Summer Universiade.

- 3.1.2 The FISU Executive Committee shall nominate for each Summer Universiade a Summer Universiade Supervision Committee (CSU-E) to be in liaison with the Organising Committee. This Committee shall cooperate with the Organising Committee on all matters to ensure that the general regulations, pattern of organisation and the spirit and tradition of the Summer Universiade are followed.
- 3.1.3 The CSU-E shall carry out inspection visits at least once in the year before the Summer Universiade and once in the year of the Summer Universiade. The cost of travel from their home to the official points of entry designated for the Summer Universiade will be covered by FISU. The cost of stay shall be covered by the Organising Committee.
- 3.1.4 The FISU Executive Committee shall also nominate for each Summer Universiade:
- a) one (1) International Control Committee (CIC) which shall be responsible for controlling the eligibility of athletes and accreditation of delegations, officials and competitors at the Summer Universiades;
  - b) one (1) International Technical Sub-Committee for the Summer Universiade (CTI-UE) which shall be responsible for the observance of the technical regulations;
  - c) one (1) International Medical Committee (CMI) which shall be responsible for doping control and medical care for participants;
  - d) one (1) Media and Communication Committee (CMC) which shall be responsible for advertising and media coverage;
- Should the FISU Executive Committee consider it necessary, representatives of the FISU Committees) will conduct inspection visits before the Summer Universiade and submit their report on the organisation to the FISU General Secretariat.
- 3.1.4.1 The Organising Committee will undertake the cost of stay of the representatives nominated by the FISU Executive Committee during inspection visits. FISU will undertake the cost of travel (cf. Art.4.4.1)
- 3.1.4.2 At the time of the Summer Universiade, FISU shall be responsible for the cost of stay and travel from their home to the official points of entry designated for the Summer Universiade for all FISU Family members on official duties.
- 3.1.4.3 At the time of the Summer Universiade, FISU shall be responsible for the cost of stay and travel from their home to the official points of entry designated for the Summer Universiade for all ISF delegates officially on duty in the Technical Committee (CT) during the time of the Summer Universiade (cf. Art. 3.5.1 d).

- 3.1.5 FISU shall be responsible for the approval of the regulations for each Summer Universiade. It shall ensure that all countries entitled to participate shall receive the regulations one (1) year before the opening ceremony of the Summer Universiade.
- 3.1.6 The contractual responsibility of FISU is limited to the execution of the obligations described above.
- 3.1.7 Aside from its contractual responsibility, FISU's responsibility is limited to serious faults committed by its council members or mandators. FISU shall not be responsible for any claim for loss, injury or damage arising from holding the Summer Universiade.

### **3.2 FISU Executive Committee**

- 3.2.1 For the duration of the Summer Universiade, the FISU Executive Committee shall be the final deciding body on all questions related to policy or dispute. If the FISU Executive Committee is to retire, it shall still hold office until the end of the Summer Universiade.
- 3.2.2 The FISU Executive Committee shall be responsible for:
- a) supervising and ensuring the smooth running of the Summer Universiade;
  - b) interpreting the FISU regulations;
  - c) settling any dispute which does not concern any other committee or jury;
  - d) examining and dealing with any complaints or protests of a non-technical nature;
  - e) taking sanctions against teams or individuals who violate the regulations of the Summer Universiade;
  - f) deciding on any other matters not covered in these regulations;

In this respect, the members of the FISU Executive Committee will be in charge of supervising the organisation of the protocol ceremonies and watching over the good conduct of the competitions included in the Summer Universiade programme. They will remain in close contact with the Organising Committee and the CTI-UE concerned.

- 3.2.3 Decisions will be made by a simple majority of those present at the meeting and voting. No absent member may delegate their mandates. In the event of a tied vote, the President shall have the casting vote.
- 3.2.4 No member of the FISU Executive Committee may hold any other appointment or office during the Summer Universiade except as directed by the FISU Executive Committee.

3.2.5 The FISU Executive Committee shall invite the Organising Committee to appoint a representative to attend meetings concerning their Universiade, but without a voting right.

3.2.6 The FISU Executive Committee shall meet as often as necessary to ensure the smooth running of the Summer Universiade.

The decisions taken at these meetings shall be circulated to all members of the FISU Executive Committee, Committees, delegations and Organising Committees.

3.2.7 Protests of a non-technical nature as allowed in Article 3.2.2 d) shall be presented to the FISU President or Secretary General/CEO, by the Head of Delegation or his/her deputy in writing no later than six (6) hours after the incident, and no protest received after this time shall be considered. Each protest shall be accompanied by a deposit of fifty euros (50€), which shall be returned only if the protest is considered justified.

3.2.8 All decisions taken by the FISU Executive Committee are final.

### **3.3 International Control Committee (CIC)**

3.3.1 The FISU Executive Committee shall set up a CIC Sub-Committee for the Summer Universiade which shall consist of:

- a) one (1) Chairperson;
- b) two (2) Vice-Chairpersons;
- c) one (1) Secretary.

The number of CIC members needed for each Summer Universiade shall be determined by the Chairperson of the CIC in collaboration with the FISU General Secretariat after consultation with the Organising Committee of each Summer Universiade.

No member of the CIC may attend when the qualification(s) of a competitor from their own country is/are being examined.

The quorum for meetings of the CIC shall be three (3) members.

3.3.2 The CIC shall be responsible for controlling the eligibility of athletes and accreditation of delegations, officials and competitors at the Summer Universiade.

The CIC shall verify and validate the documents submitted by the delegations to justify, in particular:

- a) the authenticity of the national entries (cf. Art. 1.5);
- b) the academic status of the competitors (cf. Art. 5.2.1 and 5.2.2);

c) the nationality and age of the competitors (cf. Art. 5.2.3).

The members of the CIC cannot assume any other tasks, either in the delegation of their country, or in the organisation of the Summer Universiade.

- 3.3.3 The CIC shall examine the dossiers of the competitors (cf. Art. 5.5) at a time prescribed by the FISU Executive Committee, and, if satisfied, shall validate the official accreditation cards.
- 3.3.4 The CIC will inform the CTI-UE and the Organising Committee about the names of the accredited competitors and the number of their accreditation cards. The CIC shall communicate within twenty-four (24) hours to the FISU Executive Committee the names of those persons to whom accreditation has been refused.
- 3.3.5 If a person, to whom the competitors' accreditation card has been refused, competes or attempts to compete by means of a fraud, s/he will be excluded from the Summer Universiade and from all future FISU sporting events. Should this fraud be attempted in a team event, the team will also be excluded from the Summer Universiade and any earlier results in the current tournament will be annulled. A report will be forwarded to the appropriate NSF and a reprimand will be addressed to the NUSF of the individual or team.
- 3.3.6 If the officials of a delegation deliberately misinform the CIC about the eligibility of a competitor, the team of the sport concerned will be excluded from further participation in the current Summer Universiade; such fraud could be grounds for the termination of that country's membership to FISU.
- 3.3.7 To challenge the eligibility of a participant from another country (cf. Art. 3.3.2 and Art 5.2.3), the Head of a Delegation must make a written protest to the FISU Executive Committee. The CIC shall be authorised to investigate the eligibility of the participant concerned. Only the Head of a Delegation, or his/her Deputy, shall be authorised to make such a protest.

#### **4.11 Doping Control**

- a) The Organising Committee shall provide, at its own cost, a plan and carry out doping controls for the Summer Universiade according to the FISU Anti-Doping Rules (cf. Section III, Article 14) and the ISF Regulations. The number of doping control samples shall be agreed upon by the FISU International Medical Committee (CMI) and the Organising Committee. In all situations FISU will have final authority;
- b) The Organising Committee shall sign a contract at its own cost with a WADA-accredited or WADA-approved laboratory for the number of doping control samples in the anti-doping plan. This contract will stipulate that the laboratory must send the results of the analysis to the FISU International Medical Committee (CMI);
- c) The Organising Committee shall provide WADA-approved anti-doping kits to perform the doping controls according to the FISU Anti-Doping Rules (cf. Article 14.7.12);
- d) the Organising Committee shall contract, at its own cost, an appropriate and secure way of transporting the doping control samples to the laboratory, according to the FISU Anti-Doping Rules (cf. Article 14.7);
- e) The Organising Committee shall provide trained doping control staff (Doping Control Officers, Chaperones, and Couriers) to satisfy the FISU Anti-Doping Rules (cf. Article 14.7). This staff will be responsible for the collection of samples and transportation according to FISU and WADA rules. FISU

recommends that the Organising Committee contract with the appropriate NADO or RADO for these services.

#### **4.12 Transfer of Knowledge**

Before, during and after the Summer Universiade, as requested by FISU, the Organising Committee shall play an active role in the transfer of knowledge to future and potential FISU event organisers. The Organising Committee shall:

1. organise an Observer Programme for FISU Observers in collaboration with FISU;
2. transfer, as requested by FISU, the know-how and practical knowledge, as well as the official publications to FISU Observers;
3. organise and attend the debriefing meetings.

### **5 RIGHTS AND RESPONSIBILITIES OF PARTICIPATING COUNTRIES**

#### **5.1 Invitations**

5.1.1 Invitations to take part in a Summer Universiade must be dispatched by the Organising Country at least one (1) year before the opening ceremony of the Summer Universiade. The list of countries to be invited shall be supplied by the FISU General Secretariat.

5.1.2 Invitations to countries (cf. Art. 1.5) must be addressed to:

- a) the NUSF;
- b) if no such NUSF exists, to the National Olympic Committee or to similar national organisation which groups together the students of the country, subject to the approval of FISU;

#### **5.2 Participation**

5.2.1 Only the following may participate as competitors in the Summer Universiade:

- a) students who are currently officially registered as proceeding towards a degree or diploma at the university or similar institute, the status of which is recognised by the appropriate national academic authority of their country;
- b) former students of the institutions mentioned in a) who have obtained their academic degree or diploma in the year preceding the event.

5.2.2 Notwithstanding Article 5.2.1, in countries with fewer than 2,000,000 inhabitants or having fewer than 5,000 university students, students attending technical or secondary schools may participate in FISU events provided they have been attending their establishments for at least two (2) years.

Countries wishing to take advantage of the concession in the first paragraph of Article 5.2.2 must submit an application to the FISU Executive Committee at least six (6) months before the opening ceremony of the Summer Universiade. Such an application must be supported by documents endorsed by the appropriate state or national academic authorities.

**5.2.3     Age Restriction**

All competitors must satisfy the following conditions:

- a) be a national of the country they represent;
- b) be born between 1 January 1989 and 31 December 1999;

All participants of the basketball competitions must satisfy the following conditions:

- a) have the nationality of the country they represent;
- b) be born between 1 January 1993 and 31 December 1999;

**5.2.4     Number of participants and officials**

The maximum number of officials in a delegation participating in the Summer Universiade shall be:

Up to	10 competitors	5 officials
	11-20	9
	21-30	13
	31-40	17
	41-50	21
	51-60	25
	61-70	29
	71-80	33
	81-90	37
	91-100	41
	101 and more	add 5 officials per 10 competitors

Technical Officials and media liaisons shall not be included in the number of officials.

If a delegation wants to enter more accredited officials than allowed, a special request must be presented to FISU at the time of the deadline for quantitative entries. A special rate of participation fee for these extra officials will be proposed by the Organising Committee and approved by FISU.

If the capacity of the Athletes' Village does not allow, all the extra officials will be accommodated outside of the village. The OC will select the hotel where

extra officials will be accommodated in agreement with FISU, and the cost of stay will be approved by the EC.

**5.2.5     Head of Delegation**

Countries shall designate a Head of Delegation who alone shall be entitled to represent his/her country, unless otherwise provided for in the rules, in negotiations with the FISU committees or sub-committees or those of the Organising Committee.

**5.2.6     Teams taking part in the Summer Universiade competitions must arrive in the Athletes' Village at least forty-eight (48) hours before their first competition.**

Teams arriving late will be fined fifty percent (50%) of the team sport deposit. The fine will be charged to the delegations by the Organising Committee upon arrival at the Accreditation Centre.

Their late arrival and non-compliance with the FISU Regulations will be referred to the FISU Disciplinary Committee for further action.

Teams arriving late will have no guarantee to receive their accreditation on time and may be liable for disqualification from the competition.

**5.3        Technical Officials**

Organising Committees and participating delegations shall follow Art. 11.10 and the technical regulations of each particular sport concerning the provision and costs for technical officials.

**5.4        Entries**

**5.4.1     Entries will be accepted only from those organisations which have been invited to participate (cf. Art. 5.1).**

**5.4.2     Countries must ensure that all their entries reach the Organising Committee by the deadline and in the form prescribed by the Organising Committee and the FISU Regulations.**

They shall take particular care in completing accurately the section of the entry form concerning the previous performances of individuals and teams, in order to assist the officials in making the draws.

Entry forms that are not duly and accurately completed will not be taken into consideration except for force majeure (cf. Art. 5.4.6).

**5.4.3     When entering (individual forms), countries shall sign an undertaking that their competitors shall not withdraw from a Summer Universiade once it has begun. In order to avoid no-shows in the first games of the competition, Summer**

Universiade participants must arrive in the Athletes' Village at least forty-eight (48) hours before their first competition.

**5.4.3.1 No-shows**

Any participant confirmed at the General Technical Meeting who fails to appear for a competition shall be recorded as "no-show" and be:

- 1) Disqualified for any other events in the competition
- 2) Referred to the FISU Disciplinary Committee for consideration of further action

An athlete who is defaulted for no-show may be permitted to compete in subsequent events at the discretion of the Technical Committee of the sport concerned. Permission will only be agreed for exceptional circumstances.

The Head of Delegation or his / her representative must make contact with the Technical Committee of the respective sport within one (1) hour of the scheduled event time on the day of "no-show" in order to be permitted to compete in other events.

**5.4.4 Deposit for team sports**

At the latest seven (7) months before the Summer Universiade or on a date determined by the FISU Executive Committee, countries entering in a team sport must confirm their entry with the payment of a deposit of five thousand Euros (5,000€) per registered team for basketball, football, volleyball, water polo and baseball.

At the latest seven (7) months before the Summer Universiade countries entering in a team sport must submit the FE entry form(s) to FISU in accordance with the FISU Team Entry Guidelines. Countries must confirm this entry with the payment of a deposit of five thousand Euros (5,000€) per registered team for basketball, football, volleyball, water polo and baseball no later than 02 February 2017.

The deposit, which guarantees entry into the selection process, shall be directly collected by FISU. If a team is not selected, their deposit will be reimbursed.

Should a country be selected and compete, its deposit shall be credited to the remainder of the participation fees to be paid to the Organising Committee.

In the event of a forfeit, this deposit shall cover the costs undertaken by the Organising Committee and FISU (50% for the Organising Committee and the remaining 50% becomes property of FISU), in accordance with Art.11.7.

**5.4.5 Deposit for individual sports**

One (1) month before the opening ceremony of the Summer Universiade, countries entering in an individual sport must confirm their entry with an

advance payment of 25 % of the participation fees per entered competitor and official.

The deposit, which guarantees entry in individual sports, shall be directly collected by the Organising Committee.

Should a competitor compete, his/her deposit shall be credited to the remainder of the participation fees to be paid to the Organising Committee.

In the event of a forfeit, this deposit shall cover the costs undertaken by the Organising Committee.

5.4.6 Entry forms must be completed in capital letters and submitted electronically in one of the working languages of FISU (English or French), according to the procedure laid down by the Organising Committee. The following deadlines shall be respected:

**I. Deadlines for entries:**

1. **Team sports entries:** at the latest seven (7) months before the opening ceremony of the Summer Universiade.
2. **General entries:** (engagement of participation) at the latest seven (7) months before the opening ceremony of the Summer Universiade.
3. **Quantitative entries:** (confirmation of participation) with the number of officials and participants for each sports event, at the latest four (4) months before the opening ceremony of the Summer Universiade.
4. **Nominative entries (ITOs):** must be submitted four (4) months before the opening ceremony of the Summer Universiade.
5. **Individual entries:** (conditions for participation, personal and education-related information for participation), the events in which they shall participate as well as information about the best career performance, the necessary photographs, and with the payment of the deposit for individual sports, one month (1) before the opening ceremony of the Summer Universiade.

**II. Entry procedures:**

1. Intention of participation, General, Quantitative, Nominative (ITOs) and Individual entries shall be submitted online in order to meet the required entry deadlines.
2. Entries received after the required deadlines will not be taken into consideration, except in the event of force majeure, with the agreement of the FISU Executive Committee and on the advice of the Organising Committee.

3. Individual entry forms of athletes from a non-member association must be countersigned by the NSF or by the NOC, and stamped with a seal from the said organisation.
4. The deposit, which guarantees entry in team sports, should be received by and credited to FISU, without any local or international bank fees, at the latest by 02 February 2017, unless otherwise determined by the FISU Executive Committee.
5. The deposit, which guarantees entry in individual sports, should be received by and credited to the Organising Committee, without any local or international bank fees, at the latest one (1) month before the opening ceremony of the Summer Universiade, unless otherwise determined by the FISU Executive Committee.

5.4.7 By participating or otherwise appearing in a FISU event, each competitor, participant, official and officer agrees to be filmed, televised, photographed, identified and otherwise recorded, under the conditions and for the purposes authorised by FISU either currently or in the future and in relation to the promotion of the sporting, cultural and educational activities organised under the aegis of FISU or under its endorsement.

## **5.5 Individual dossier to submit upon arrival**

5.5.1 The individual dossier for each competitor to be presented to the CIC must be written either in French, English, Russian or Spanish (FISU official languages), and stamped with a seal from the relevant NUSF. The dossier must include:

- a) a passport or identity card<sup>1</sup> which shall include:
  1. the given name and family name (in capitals)
  2. the nationality, the date and place of birth
  3. a recent photograph
- b) if currently a student (cf. Art. 5.2.1a):
  1. a document proving that s/he has satisfied the conditions normally required in his/her country for attending a university or similar institute;
  2. a FISU Eligibility Form stamped and signed by the NUSF and the university or similar institute, or a student card or certificate from the appropriate national academic authority certifying that the competitor is currently officially registered as proceeding towards a degree or diploma at a university or similar institute, the status of which is recognised by the appropriate national academic authority of their country.

---

<sup>1</sup> . Those documents must be in one of the FISU working languages (French or English).

- c) if a former student (cf. Art. 5.2.1b): proof of the date when s/he obtained his/her final academic degree or diploma;
- d) if a pupil (cf. Art. 5.2.2): a certificate of study signed, by hand, by the responsible official of the establishment certifying the date of entry into the establishment and that the competitor has been regularly attending the establishment for at least two (2) years.

The CIC has the right to verify the validity of any document presented by any means of communication.

5.5.2 A competitor who does not have a student certificate as set out in Article 5.5.1.b, c) and d) will not be allowed to compete.

5.5.3 In submitting the individual dossiers for his/her competitors, the Head of Delegation or his/her deputy shall produce a list certified by the appropriate national academic authority of his/her country, of the universities or similar institutes, the university status of which meets the requirements of Art. 5.2.1.

## **5.6 Financial conditions**

### **5.6.1 FISU registration fees**

FISU shall receive from each competing country the following FISU registration fees:

- a) active member associations of FISU: twenty Euros (20€) per competitor and official;
- b) other associations: forty Euros (40€) per competitor and official;

The FISU registration fees will be collected by the CIC before issuing the competitors' accreditation cards.

### **5.6.2 Travel cost**

The countries shall be responsible for their own cost of travel to and from the official points of entry designated for the Summer Universiade (international airport or other entry point). The designated airport or other entry point must be submitted by the Organising Committee to the Summer Supervision Committee (CSU-E) and approved by the FISU Executive Committee.

### **5.6.3 Participation fees**

Upon arrival, participating countries shall pay their participation fees, ten Euros (10€) determined by the FISU Executive Committee per day (24 hour period including meals) and per person, to FISU or the OC (cf. Art. 4.3 & 5.4).

- a) countries entering in team sports must pay to FISU a deposit of five thousand Euros (5,000€) for basketball, football, volleyball, water polo, and baseball to FISU (cf. Art. 5.4.4) no later than 2 February 2017;

- b) countries entering in individual sports must pay to the Organising Committee a prepayment of 25% of the participation fees for each athlete and official registered at the latest one (1) month before the opening ceremony of the Summer Universiade;
- c) upon arrival, each country must pay the remaining balance to the Organising Committee;

The Organising Committee may receive this payment in its own currency at the official exchange rate, if it so wishes, and after approval by the FISU Executive Committee.

## **5.7 Accreditation cards**

- 5.7.1 A numbered accreditation card with a recent photograph (cf. Art. 5.4.6) will be issued to each competitor whose dossier has been approved by the CIC (cf. Art. 3.3.3). Accreditation cards will also be issued to all accredited officials and technical officials.
- 5.7.2 Competitors will be required to keep their accreditation card with them at all times and be prepared to present it for inspection by CIC members or any other persons authorised by them.
- 5.7.3 Accreditation cards will give the holders access to sports venues, official accommodation and to any other facilities or services agreed between the Organising Committee and the FISU Executive Committee.
- 5.7.4 In declaring their starters or team composition, Heads of Delegation must list also the accreditation card numbers of their competitors.

Competitors reporting for the start of any individual or team sport must be prepared to show their card to the officials in charge. For team competitions, the manager must present before each match the list of the players who will take part in the matches, including accreditation card numbers.

## **5.8 Insurance**

- 5.8.1 FISU shall not be responsible for any claim for loss, injury or damage arising from holding the Summer Universiade.
- 5.8.2 As stated in the attribution agreement between FISU and the Organising Committee (OC), the Organising Committee shall contract, at its cost, an appropriate general liability insurance policy acceptable to FISU, covering the risks of any liability or damages arising from the organisation of the Summer Universiade and any act of the OC, or its mandatories and employees, from its constitution to its dissolution (cf. Article 4.2). The insurance will cover without limitation, except in the case of local legal constraint, all claims for loss, injury or damage to goods and individuals arising from holding the Summer Universiade.

The Organising Committee shall set up a special "insurance information desk" with appropriate staff on the accommodation site.

- 5.8.3 Participating countries must have the appropriate insurance to cover travel and participation, as they are the responsibility neither of the Organising Committee nor of FISU.

## **5.9 Medical services**

The Organising Committee will ensure:

- a) free and adequate medical care including initial response and follow-up, immediate medical care as indicated for the FISU Family, participants and all accredited persons;
- b) doping control in accordance with the procedure laid down in Article 14.

## **5.10 Medal-Awarding Ceremonies**

During the medal-awarding ceremony, each competing athlete - individual sports, team events in individual sports and team sports - is entitled to receive a medal as follows:

- Third place: a bronze medal
- Second place: a silver medal
- First place: a gold medal

If an athlete or team is disqualified, the medal(s) shall be returned to FISU.

In specific sports, where required by the ISF rules, two (2) bronze medals will be awarded in accordance with the rules of the appropriate ISF.

In the case of too few entries, medals will be awarded per event as described hereunder unless decided differently by FISU for specific cases.

- a) one (1) gold medal if there are three (3) competitors or teams
- b) one (1) gold medal and one silver medal if there are five (5) competitors or less than five (5) teams;
- c) one (1) gold medal, one (1) silver medal and one (1) bronze medal if there are six (6) or more competitors or five (5) teams competing;

The Organising Committee will inform the Head of Delegation and the athlete(s) about the time and location of the medal-awarding ceremonies.

The national flags of the first three (3) competitors will be raised and the only anthem played will be the FISU anthem, the Gaudeamus Igitur.

The medals will be presented by the FISU President or his representative.

The official languages for the medal-awarding ceremonies will be French, English and the language of the organising country.

Medals, the design of which shall be formally approved by the FISU, shall be provided by the OC and awarded in each of the competitions in accordance with the Guidelines of the FISU Protocol.

#### **5.11 Media liaison**

It is recommended that countries participating with more than twenty (20) participants nominate one (1) media liaison person, and that countries with more than one hundred (100) participants nominate two (2) media liaison persons. S/he shall not be included in the number of officials.

If a delegation wants to enter more media liaison than allowed, a special request must be presented to FISU at the time of the deadline for quantitative entries.

### **6 PROTOCOL**

The FISU Executive Committee will nominate one of its members to settle all matters relating to protocol, ceremonies and awards, with the representatives of the Organising Committee.

The reference document for all protocol matters is the Guidelines of the FISU Protocol. The Organising Committee must submit to the approval of FISU all protocol-related matters in accordance with these guidelines.

#### **6.1 Ceremonies**

##### **6.1.1 Generalities**

Each delegation must take part in the official ceremonies (Opening ceremony, closing ceremony, delegation welcome ceremony, and any other ceremony which can be considered official). It is expected that at least half of the members of the delegations participate in these ceremonies. They will be informed by the Organising Committee about the time, location and procedure.

The protocol of the opening and closing ceremonies as well as for other ceremonies will be decided by the FISU Executive Committee in consultation with the Organising Committee.

The languages for all official ceremonies will be English, French and the language of the Organising Country.

##### **6.1.2 Opening Ceremony**

The opening ceremony will be staged observing the following protocol:

- a) Playing of the national anthem of the organising country and hoisting of the flag of the host country.
- b) March pass of participating countries. Each delegation will be preceded by a placard displaying its name and accompanied by its flag. The delegations will march in the alphabetic order of the language of the organising country or in one of FISU's working languages (to be approved by the EC). The host country marches last.
- c) The flags of participating delegations, as well as the placards, will be provided by the Organising Committee and will all be of the same size.
- d) The President of the Organising Committee gives a welcome speech of maximum three (3) minutes.
- e) The FISU President gives a speech of maximum three (3) minutes and invites the highest authority of the host country present to declare the Summer Universiade open.
- f) The highest authority of the host country present declares the Summer Universiade open.
- g) Arrival of the FISU flag.
- h) Playing of the FISU anthem and hoisting of the FISU flag.
- i) Arrival of the torch and lighting of the flame.
- j) Oath of athletes. One (1) athlete chosen by the host country pronounces the following oath:
- k) "On behalf of all the student athletes, I promise that we shall take part in the Summer Universiade, respecting and abiding by the rules which govern them, committing ourselves to a sport without doping and without drugs, in the true spirit of sportsmanship, fair-play, for the glory of our country, for the honour of our teams and for the achievement of International University Sports Movement."
- l) Oath of judges and referees. One (1) judge or referee chosen by the host country pronounces the following oath:
- m) "In the name of all the judges and officials, I promise that we shall officiate in this Universiade with complete impartiality, respecting and abiding by the rules which govern them, in true spirit of sportsmanship".
- n) Participants leave the area to take place in the stands reserved for them to attend the rest of the ceremony.
- o) Cultural programme

#### 6.1.3 Closing Ceremony

The closing ceremony will at least respect the following protocol:

- a) Playing of the national anthem of the host country;
- b) Entrance of the flags of participating countries;

- c) March pass of participants in mixed order;
- d) Closing speech of the President of the Organising Committee;
- e) Closing speech of the FISU President;
- f) Playing of the FISU anthem, lowering of the FISU flag and extinction of the flame;
- g) Handing over of the FISU flag;
- h) Presentation of the next Summer Universiade;
- i) Cultural programme;

**6.1.4 Flower Ceremonies**

Flower ceremonies will be organised in accordance with the rules of the appropriate International Sports Federation. The Organising Committee will inform the Head of Delegation and the athlete(s) about the time and location of the flower ceremonies.

**6.2 Awards**

**6.2.1 Diplomas**

Diplomas, the design of which shall be formally approved by FISU, shall be provided by the OC and awarded in accordance with the Guidelines of the FISU Protocol:

- Diploma of participation: to all participants;
- Diploma of honour: to athletes ranked 1 to 8.

If an athlete or team is disqualified, the diploma(s) shall be returned to FISU.

**6.2.2 Other awards**

No other awards shall be given unless agreed otherwise with FISU.

**6.3 Flags**

The Organising Committee will provide all flags (NUSF/Delegations, FISU, ISF and OC) at its own cost. The number, the location and the way they will be displayed, must be submitted to FISU for approval.

**6.4 Seating for Competitions**

Half of the VVIP and VIP tribunes in all venues will be reserved for the members of the FISU Family, the technical delegates of the ISFs for all sports in the programme and the Heads of Delegation, according to the access given stipulated on the accreditation card.

Sufficient seats will be available for the competitors and accredited officials in each sports venue. Competitors and officials from other sports shall also be

admitted. This area will be located among the regular seats (number to be agreed between FISU and the OC).

## **7 MEDIA SERVICES**

7.1 Based on a request of the FISU Media and Communication Department, the Organising Committee shall provide all appropriate facilities to permit the work of the accredited media representatives (journalists, photographers, radio, movie and television).

7.2 Members of the mass media shall apply for accreditation to the Organising Committee at least two (2) months before the Summer Universiade.

The Organising Committee is responsible for approving the accreditations of the media representatives from the host country whereas FISU is responsible for approving the ones of foreign media representatives.

7.3 In accordance with the CMC and on the recommendation of the Chairperson of the CT, the Organising Committee controls the access to competition venues for the media representatives (photographers, cameramen, radio and television personnel). The number of media representatives shall be limited so as not to interfere with the running of the events.

7.4 The Organising Committee must nominate a media representative.

## **8 RADIO, TELEVISION AND OTHER BROADCASTING RIGHTS**

8.1 The following rights are the exclusive property of FISU: the right to sell, to register, to transmit, to broadcast, to distribute, or to reproduce all images and sounds during the Summer Universiade, including all television and broadcasting rights by any means whatsoever (including traditional land transmission techniques and by way of telecommunications satellite, cable, mobile, asynchronous transfer mode (closed-circuit, Internet or any other transmission technique existing and in the future), video and film recording rights and any and all rights to photograph and otherwise record the Summer Universiade by any means whatsoever.

8.2 FISU shall have the exclusive right to broadcast or permit any Broadcast Licensee to broadcast the Summer Universiade outside of the Host Country, and to retain all revenues therefrom. The Organising Committee shall have the exclusive right to appoint the Host Broadcaster to broadcast the Summer Universiade inside the Host Country via over-the-air and cable television only, and for the Organising Committee and/or the Host Broadcaster to retain all revenues therefrom. If the Organising Committee wants any satellite or

internet rights or other broadcasting rights within the Host Country, it may apply to FISU for a grant of such rights, which may be granted or not by FISU in its absolute discretion. The Host City Partners shall not enter into any contract pertaining to the broadcast of the Event Programming or Event-related Programming with the Host Broadcaster or otherwise, without the prior written consent of FISU, which will not be unreasonably withheld.

- 8.3 The Organising Committee shall cause the Host Broadcaster to provide a “clean feed” television signal (video and audio) of those Event Programming and Event-related Programming specified in the Minimum Requirements to FISU or any Broadcast Licensee, using such standards and complying with such technical specifications and requirements as shall be prescribed by FISU or any Broadcast Licensee and at no expenses to FISU or any Broadcast Licensee. Such signal shall contain no commercial, political or other inserts (e.g. logos, messages, on-screen credits or product placements) unless expressly authorised by FISU in writing. FISU and / or FISU Partners shall be responsible for arranging and paying for the uplink or other transmission of the signal. The selection of the Host Broadcaster shall be subject to FISU’s prior written approval, which will not be unreasonably withheld.
- 8.4 The television or any other broadcasting rights, as under Article 8.1, will be divided between FISU and the Organising Committee in the proportion stated in the attribution contract.
- 8.5 All advertising appearing during televised broadcasting or any other transmission technique must have FISU's prior approval.

This includes in particular:

- a) Advertising pre-existing on Summer Universiade sites (cf. Art. 1.14);
- b) Advertising added on Summer Universiade sites on the occasion of the Summer Universiade (cf. Art. 1.14);
- c) Advertising "virtually" added by electronic insertion or other techniques;
- d) Advertising appearing in overlay on the picture, inserted by the production department or the television station's final production department.

## **9 OTHER SOURCES OF REVENUES**

- 9.1 Jointly with the Organising Committee, the FISU Executive Committee will negotiate in the best interests of both parties, the following contracts:
- a) financial sponsorship of commercial companies;

- b) advertising authorised in the frame of the FISU regulations in all material connected or related to the FISU event, which can hold or display any kind of publicity or advertising;
- c) marketing of the FISU name and emblem and of all the pictures, symbol marks, mascots or emblems relating to the competition;
- d) the FISU Executive Committee will retain all rights and approve all contracts in relation with Art. 9.1. a, b and c.

9.2 All income from the sale of entrance tickets will be retained by the Organising Committee.

9.3 All income to be received under Art. 9.1a, b and c, will be divided between FISU and the Organising Committee in the proportion stated in the attribution contract.

FISU's share of revenue should be paid by the Organising Committee to FISU within the deadline and under the terms outlined in every contract.

9.4 Jointly with the Organising Committee, the FISU Executive Committee may concede or delegate all or part of the rights resulting from Art. 9.1a, b, and c), which will be divided between FISU and the Organising Committee in the proportion stated in the attribution contract.

## **10 OFFICIAL FILM**

10.1 The Organising Committee shall make the necessary arrangements for the realisation of the official film of the Summer Universiade.

10.2 The Organising Committee may delegate the realisation of the film to an official television broadcaster, a specialised organisation or a team directly dependent to it.

10.3 All the rights necessary for the exploitation of the film in whatever form belongs to FISU and the Organising Committee gives a guarantee to this effect.

However, for a period of two (2) years starting from the closing ceremony of the Summer Universiade, FISU shall allow the NUSF of the country where the Summer Universiade was held to exploit the film, subject to the payment of royalties to FISU, which is the only body authorised to exercise the broadcasting rights.

This royalty should be determined between FISU and the NUSF on the basis of the gross revenue.

- 10.4 The film shall give shots of each sports discipline, the opening and closing ceremonies and the highlights of all finals (a minimum of two (2) hours for the Summer Universiade).
- 10.5 Within six (6) months after the closing ceremony of the Summer Universiade, a complete copy, together with the original negative of the film on a professional standard, is to be given free of charge to FISU for its own use.
- Participating countries may obtain, at cost price, copies of the film for private showing to their members only.

## **II. TECHNICAL REGULATIONS**

### **11 GENERAL TERMS**

- 11.1 The sports events of the 29th Summer Universiade in Taipei 2017 shall be organised in accordance with the most recent technical rules of the appropriate ISFs unless otherwise stated by the FISU Executive Committee.
- 11.2 Any protest of a sport or disciplinary nature must reach the Jury or other competent authority, by the Head of Delegation or his / her representative, according to the regulations laid down by the appropriate ISF.
- 11.3 Unless otherwise stated by the technical regulations of the sport concerned (cf. Art. 12), this protest must be submitted in writing and accompanied by a deposit of fifty Euros (50€) which will be returned if the protest is considered justified.
- 11.4 Any decision of the Jury of Appeal or equivalent authority of a sport is final and must be reported immediately to the Head of Delegation of the country concerned.
- Any disciplinary situation, which cannot be satisfactorily resolved by the sports technical committees and the sport-specific disciplinary regulations, will be reported to the FISU Disciplinary Committee for further action to be taken.
- Where appropriate, a report will also be sent to the ISF concerned.
- 11.5 For team events, the format of the tournament, including the classification method, will be fixed by the FISU Executive Committee on the proposal of the Chairperson of the CTI-UE.
- At the latest one (1) year before the opening ceremony of the Summer Universiade, the Summer Universiade Supervision Committee and the International Technical Sub-Committee for the Summer Universiade will approve the organisation and the sports venues.

**11.6 Team selection and team draw**

11.6.1 For the selection of team sports, where the number of entries is larger than the authorised participation level, the following criteria will be applied:

- a) the entry/ nomination and the payment of guarantee;
- b) those teams who finished in the top half of the previous Summer Universiade competition and / or FISU World University Championship will be automatically qualified to participate; but must fulfil the conditions of the FISU entry procedure;
- c) the team of the host country is automatically qualified;
- d) the remaining participating teams will be selected by a wild-card system according to criteria defined by the CTI-UE (geographical and continental representation, FISU ranking, ISF ranking).

FISU will announce the selection of participating teams no later than six (6) months prior to the opening ceremony of the Summer Universiade.

The selected teams have to confirm their arrival and departure to the Organising Committee no later than one (1) month before the start of the tournament. Any country failing to fulfil this obligation may be considered as withdrawn and a team from the reserve list may be invited for substitution.

11.6.2 In drawing the pools or rounds for team sports, previous results will be taken into account.

For the draw of preliminary pools for team sport competitions, the FISU ranking will be based on:

- a) when participating, the host country is automatically qualified and placed in pool A position 1 (A1).
- b) previous Summer Universiade results;
- c) participation in the previous Summer Universiade;
- d) continental representation;
- e) international sports federations ranking – senior level and corresponding age group if appropriate.

11.6.3 If the number of entries in a team sport is excessive, preliminary matches may be played before the opening ceremony of the Summer Universiade.

The system used shall correspond to the one used by the International Sport Federation concerned.

Plate tournaments will be organised during the Summer Universiade for the losers of the preliminary tournaments organised during the Summer Universiade as decided by the technical committee of the sport concerned.

**11.7 Team withdrawal**

- a) Declaration of non-participation after having entered an official entry and before the drawing of lots shall receive no penalty.
- b) Declaration of non-participation after the drawing of lots has been held and more than sixty (60) days from the starting date of the competitions shall be sanctioned with the loss of the team deposit (50% for the Organising Committee and 50% to FISU)
- c) Declaration of non-participation after sixty (60) but more than twenty-one (21) days prior to the start of the official competition shall be sanctioned with:
  - a loss of the team deposit (50% for the Organising Committee and 50% to FISU)
  - to be placed lowest in that continent for consideration at the subsequent Summer Universiade team selection in the sport that has been withdrawn
- d) Declaration of non-participation during the twenty-one (21) days immediately prior to the start of the competition shall be:
  - a loss of the team deposit (50% for the Organising Committee and 50% to FISU)
  - sanctioned with exclusion from participation in that sport at the subsequent Summer Universiade
- e) Withdrawal or non-appearance during the course of the competition shall be sanctioned with:
  - a loss of the team deposit (50% for the Organising Committee and 50% to FISU)
  - Compulsory reimbursement to the Organising Committee and FISU of the expenses borne on behalf of the withdrawing delegation and team, plus damages for loss of income and financial consequences
  - Sanctioned with exclusion from participation in that sport at the subsequent two Summer Universiades and suspension from that sport if organised as a FISU World University Championship for three (3) years
- f) Repetition of e) will require further disciplinary action by the EC, as advised by the FISU Disciplinary Committee.

11.8 The doping control for the sports disciplines or events determined, must be done taking into consideration the regulations of the appropriate ISF and determined by the FISU Executive Committee. The details are written down in Art.14.

- 11.9 Any competitor who refuses to undergo a doping test or who is found guilty of doping shall be eliminated from the entire competition. If the competitor belongs to a team, the match or competition in question shall be forfeited by that team.

In sports in which a team may no longer compete after a member has been disqualified, the remaining members may compete on an individual basis (cf. Art. 14.13).

**11.10 Technical Officials**

- 11.10.1 Technical Officials include referees and judges and other sport-specific officials that are required for the smooth running of the sports competitions. There are International Technical Officials (ITOs) and National Technical Officials (NTOs) in accordance with the rules and regulations of each sport. In principle, ITOs take the senior-officiating positions. They are nominated by the ISFs or proposed by the NUSFs according to the technical regulations of each sport, and approved by the FISU CTI-UE. The numbers and functions of ITOs vary according to the sport. NTOs are nominated by the NSFs in consultation with the OC and are taking a support role.

- 11.10.2 Where the ITOs are nominated by the ISFs, the costs for travel, accommodation, full board and per diem are borne by the Organising Committee or the International Sport Federation (cf. Art. 12A and 12B).

For Artistic Gymnastics, Basketball, Fencing, Football, Judo, Rhythmic Gymnastics, Taekwondo, Volleyball and Baseball, the Organising Committee is authorised to collect an ITO contribution fee from the delegations which will be calculated on a pro-rata basis among all athletes registered in the individual events and among all teams in the team events.

The ITO contribution fees per sport are agreed between the OC and FISU and will be announced by the Organising Committee to the participating delegations nine (9) months before the opening ceremony of the Summer Universiade.

The ITO contribution fees must be paid by the Head of Delegation or his / her representative during the accreditation process upon arrival at the Athletes' Village for the individual sports and will be deducted from the team deposit for the team sports.

If a delegation does not pay the requested ITO contribution fee at the time of accreditation, the delegation will not receive the accreditation cards and will not be allowed to compete in the sport concerned.

- 11.10.3 Where the ITOs are proposed by the delegations, the costs for travel, accommodation and full board (equal to the amount of the participation fee), as well as a per diem are borne by the participating delegations.

Countries must forward to the Organising Committee at the latest four (4) months before the opening ceremony of the Summer Universiade the name(s) and category of their required ITOs as set out in the regulations of each particular sport. If the names are not received by this time, the Organising Committee shall have the right to arrange for substitute officials.

Countries unable to provide the required ITOs from their own country, can propose an ITO from another country approved by FISU, and cover the associated expenses. Otherwise, countries must pay a penalty fee of 2,500€ per ITO at the moment of accreditation. The Organising Committee will deduct such cost from the delegation deposit.

- 11.10.4 Following the technical regulations of each particular sport, ITOs are entitled to receive a per diem in the amount established in the FISU-ISF partnership agreement for the entire days of duty (including travel days).

Any agreed financial dues to the ITOs must be paid by the Organising Committee at the latest two (2) days after their arrival to the Summer Universiade. The payment must be done in cash or by bank transfer according to the policy agreed between the OC and FISU.

The OC must ensure that all ITOs are properly informed about the process of payment well in advance of the opening ceremony of the Summer Universiade.

- 11.10.5 The Organising Committee must invite the ITOs no later than three (3) months before the opening ceremony of the Summer Universiade. This includes administrative obligations such as visa application, flight arrangements and accommodation procurement.

The Organising Committee will be liable for all extra costs that may result from not fulfilling this obligation.

- 11.10.6 Unless otherwise stated by FISU, all ITOs are to arrive one (1) day prior to their first official meeting as agreed between FISU and the OC, and depart one (1) day after the end of competition.

- 11.10.7 Unless otherwise stated by FISU, ITOs are to be accommodated in single rooms.

Further duties and obligations regarding ITOs are determined in the ITO Policy.

## **12 A TECHNICAL REGULATIONS PER SPORT – COMPULSORY SPORTS**

### **12.1 ARTISTIC GYMNASTICS**

---

#### **GENERAL TERMS**

12.1.1 The artistic gymnastics events will be organised in accordance with the most recent technical regulations of the “Fédération Internationale de Gymnastique” (FIG). In case of disagreement in the interpretation of these rules, the English text will be regarded as authoritative.

12.1.2 The programme and duration of the competitions will be fixed by the FISU Executive Committee in agreement with the Organising Committee and the CTI-UE. In principle, the programme of the competitions will last five (5) days and include the following events for men and women:

Team Finals and Individual Qualifications

Individual All-Around Finals

Individual Apparatus Finals

The competitions will include only optional exercises in accordance with the most recent FIG Code of Points for the following events:

<b>Men</b>	<b>Women</b>
Floor Exercise	Vault
Pommel Horse	Uneven Bars
Vault	Balance Beam
Rings	Floor Exercise
Parallel Bars	
Horizontal Bar	

#### **12.1.3 Team Finals and Individual Qualifications**

Each participating country is authorised to enter in the team competition with one (1) men's team and one (1) women's team of three (3) to five (5) gymnasts.

On each apparatus no more than four (4) gymnasts may compete for the team.

These four (4) competitors may be selected from any of the team members. After the beginning of the competition, an injured gymnast may be replaced on the remaining apparatus by other team members, but not by a reserve gymnast.

The results obtained determine the classification of the teams and individual gymnasts and act as a qualification for the Individual All-Around Finals and Individual Apparatus Finals.

The team classification will be established by adding the three (3) highest scores of each apparatus.

All athletes must have a valid FIG license. The license number must be properly indicated on the individual entry form.

At the first General Technical Meeting, the Head of Delegation or his/her representative shall confirm and sign the official list of competitors.

Any entry not duly confirmed at the first General Technical Meeting, will not be taken into consideration except for force majeure.

- 12.1.4 Countries participating with individuals (AA or apparatus) may enter a maximum of two (2) gymnasts.

The classification for all participants will be established by adding the scores obtained on each apparatus.

12.1.5 **Individual Apparatus Finals**

The top eighteen (18) male gymnasts and the top eighteen (18) female gymnasts in the Team Finals and Individual Qualifications will be entitled to compete in the Individual All-Around Finals, but by no more than two (2) gymnasts from the same country.

The classification will be established by adding the scores obtained on each apparatus in the Individual All-Around Finals.

12.1.6 **Individual Apparatus Finals**

On each apparatus, the first eight (8) male gymnasts and the first eight (8) female gymnasts, (but not more than two (2) from each country who obtained the best results of the respective apparatus in the Team Finals and Individual Qualifications), shall perform. A tie-break rule will be used to limit the number of qualifiers to eight (8) gymnasts on each apparatus.

The classification by apparatus will be determined by the points obtained in the Individual Apparatus Finals.

Gymnasts who qualify for the Individual All-Around Finals and Individual Apparatus Finals are obliged to participate in the respective competition.

**PRE-COMPETITION PROCEDURE**

12.1.7 **Deposits**

One (1) month before the opening ceremony of the Summer Universiade, countries entering in an individual sport must confirm their entry with an advance payment of 25 % of the participation fees per entered competitor and official.

The deposit, which guarantees entry in individual sports, shall be directly collected by the Organising Committee.

Should a competitor compete, his/her deposit shall be credited to the remainder of the participation fees to be paid to the Organising Committee.

**12.1.8 Seeding**

Individuals will compete in the first subdivision of the Team Finals and Individual Qualifications. Countries with teams will be seeded in the later subdivisions of the Team Finals and Individual Qualifications based on the highest team results at the previous Universiade.

**12.1.9 Draw**

The drawing of lots shall be held within one (1) week after the deadline for the individual entries in accordance with the FIG Technical Regulations.

No entries will be accepted after the drawing of lots.

**12.1.10 Protest**

Protests made in Artistic Gymnastics will adhere to the policy of FIG.

**TECHNICAL OFFICIALS**

**12.1.11 Nomination and Costs**

All international judges are nominated by FIG, maximum one per participating countries. Participating countries must participate in covering the cost (travel, accommodation, full board and a per-diem according to the FISU-FIG partnership agreement) of the international judges from FIG (cf. Art. 11.10) according to the pro-rata of athletes registered.

The Organising Committee will announce the sum one (1) month prior to the Opening Ceremony of the Summer Universiade based on the individual entries.

In addition, FIG will nominate ten (10) reference judges to complement the team of technical officials. Travel expenses, full board, accommodation and the per diem according to the FISU-FIG partnership agreement are to be borne by the Organising Committee.

The OC and the NSF will appoint NTOs to complement the team of technical officials required for Artistic Gymnastics.

**12.1.12 Minimum Number of Technical Officials**

There shall be forty-seven (47) ITOs.

<b>Men's Artistic Gymnastics</b>	<b>Women's Artistic Gymnastics</b>
Three (3) Apparatus Supervisors	Two (2) Apparatus Supervisors
Six (6) D-Judges	Four (4) D-Judges
Twelve (12) E-Judges	Eight (8) E-Judges
Six (6) R-Judges	Four (4) R-Judges
One (1) Reserve Judge	One (1) Reserve Judge

The number of NTOs shall be agreed between the OC and the FISU TD.

**12.1.13 Duration of Stay**

Unless otherwise stated by FISU, all international technical officials are to arrive one (1) day prior to their first official meeting as agreed between FISU and the OC and depart one (1) day after the end of competition.

**12.1.14 Per Diem**

ITOs are entitled to receive a per diem in the amount established in the FISU-FIG partnership agreement for the entire days of duty (including travel days).

**12.1.15 Accommodation**

Unless otherwise stated by FISU, ITOs are to be accommodated in single rooms.

#### **12.11.5 Seeding and Draw**

Drawing for Poomsae, Individual Kyorugi and Team Kyorugi shall be held immediately following the General Technical Meeting in the same location.

Electronic drawing shall be organised by the OC under supervision of the FISU Technical Delegate.

A certain number of athletes may be seeded based on their ranks in the WTF world ranking, according to the guidelines stipulated in the by-laws of the WTF world ranking.

## **TECHNICAL OFFICIALS**

### **12.11.6 Nomination**

All international referees are nominated by WTF and the FISU Technical Delegate. Participating countries must pay an ITO contribution fee to the Organising Committee in order to cover the cost (travel, accommodation, full board and a per-diem according to the FISU-WTF partnership agreement) of the international referees from WTF (cf. Art. 11.10) according to the pro-rata of athletes registered.

The Organising Committee will announce the ITO contribution fee nine (9) months prior to the Opening Ceremony of the Summer Universiade based on the individual entries.

The OC and the NSF will appoint NTOs to complement the team of technical officials required for Taekwondo.

### **12.11.7 Number of Technical Officials**

- Kyorugi: twenty-eight (28) international referees
- Poomsae: sixteen (16) international referees

The number of NTOs shall be agreed between the OC and the FISU TD.

### **12.11.8 Duration of Stay**

Unless otherwise stated by FISU, all international technical officials are to arrive one (1) day prior to their first official meeting as agreed between FISU and the OC and depart one (1) day after the end of competition.

### **12.11.9 Per Diem**

ITOs are entitled to receive a per diem in the amount established in the FISU-WTF partnership agreement for the entire days of duty (including travel days).

### **12.11.10 Accommodation**

Unless otherwise stated by FISU, ITOs are to be accommodated in single rooms.

## **12.12 TENNIS**

---

### **GENERAL TERMS**

12.12.1 The tennis events will be organised in accordance with the most recent technical rules of the International Tennis Federation (ITF). In case of disagreement in the interpretation of these rules, the English text will be regarded as authoritative.

12.12.2 The programme and duration of the competitions will be fixed by the FISU Executive Committee in agreement with the Organising Committee and the CTI-UE. In principle, the programme will last nine (9) days and include:

- Men's events: singles and doubles
- Women's events: singles and doubles
- Mixed doubles

A plate tournament may be organised in agreement with the Technical Committee.

The men's team classification will be established based on the results of the men singles and doubles and the mixed doubles events.

The women's team classification will be established based on the results of the women singles and doubles and the mixed doubles events.

12.12.3 Each country is authorised to enter a maximum of four (4) men and four (4) women. The maximum number of competitors per event and per country will be as follows:

- women's singles: two (2)
- women's doubles: two (2) (1pair)
- mixed doubles: two (2) (1pair)

Team classification for both men and women will be considered as follows:

- for both men and women, the results of a maximum of two (2) players from the singles events and a maximum of one (1) pair from the doubles events and one (1) pair from the mixed doubles events will be counted into the final ranking per country;
- the results of three (3) events will be taken into consideration;
- If two (2) or more teams have an equal number of points, the ranking shall be decided on the total number of medals won.

Teams participating in team classification will receive points as follows:

- for singles events: final sixteen (16) players

- for doubles events : final eight (8) pairs

The medals will be awarded to the top three (3) teams.

The players of the pair - for doubles events - must be of the same nationality and of the same NUSF.

At the first General Technical Meeting, the Head of Delegation or his/her representative shall confirm and sign the official list of competitors.

Any entry not duly confirmed at the first General Technical Meeting, will not be taken into consideration except for force majeure.

- 12.12.4 The Single matches will be played for the best of three (3) sets. The tie-break will be used in all sets. Doubles matches will be played for the best of three (3) sets. The tie-break will be used in the first two (2) sets and a ten (10) point match tie-break will be used in the final set.

#### **PRE COMPETITION PROCEDURE**

12.12.5 **Deposits**

One (1) month before the opening ceremony of the Summer Universiade, countries entering in an individual sport must confirm their entry with an advance payment of 25 % of the participation fees per entered competitor and official.

In the event of a disagreement on the interpretation of the rules, the English text will be regarded as authoritative.

12.18.2 The programme and duration of the competitions are fixed by the FISU Executive Committee in agreement with the Organising Committee and the CTI-UE. The competitions will last four (4) days and will include the following events:

men's individual competition (72 holes - stroke play)  
women's individual competition (72 holes - stroke play)  
men's team competition (72 holes - stroke play)  
women's team competition (72 holes - stroke play)

The event will be played over 72 holes stroke-play: 18 holes each day for the four (4) consecutive days of the event.

12.18.3 Each country may enter a maximum of six (6) competitors. In each event, each country may enter:

**Men:**

Individual event: three (3) competitors

Team event: the two (2) best results each day shall count for the team classification per day

**Women:**

Individual event: three (3) competitors

Team event: the two (2) best results each day shall count for the team classification per day

Players must be amateur golfers under the Rules of Amateur Status of the R&A and the United States Golf Association and have a handicap of nine (9) or less when entering the Summer Universiade.

At the first General Technical Meeting, the Head of Delegation or his/her representative shall confirm and sign the official list of competitors.

Any entry not duly confirmed at the first General Technical Meeting, will not be taken into consideration except for force majeure.

**PRE-COMPETITION PROCEDURE**

**12.18.4 Deposits**

One (1) month before the opening ceremony of the Summer Universiade, countries entering in an individual sport must confirm their entry with an advance payment of 25 % of the participation fees per entered competitor and official.

The deposit, which guarantees entry in individual sports, shall be directly collected by the Organising Committee.

Should a competitor compete, his/her deposit shall be credited to the remainder of the participation fees to be paid to the Organising Committee.

**12.18.5 Draw**

The Technical Delegate will produce a draw for first and second rounds after all countries have registered. This draw will aim to provide a balance between early and late times and from the 1st and 10th tees over the first two rounds.

Where possible, the players from each country will be kept together in a block, one in each time slot after another.

For the third round the draw will be made counting the results of the team. Best results off last from the 1st tee.

The draw for the fourth round will also take into consideration the individual results and that the players playing for the individual title will play in the last group even if the rest of the team is not in the same block. For the rest of the

field, play will follow the team result; from the worst result to the best, as per the third round.

**12.18.6 Tie-break**

In the event of a tie in the Individual Events for the first, second and third positions the tie shall be decided by a hole-by-hole play-off. The play-off holes shall be determined by the FISU Technical Delegate.

If two or more teams tie for the Championship in first, second or third positions, the order of finishing will be decided as follows:

- (a) Firstly, by taking into account the non-counting score for the final round.
- (b) If still tied, the non-counting score for the 3rd round.
- (c) If still tied, the aggregate of the non-counting scores for the first two rounds
- (d) If still tied – joint winners will be declared.

### III. MEDICAL REGULATION

#### 14. ANTI-DOPING RULES

##### Definitions

<i>Administration</i>		Providing, supplying, supervising, facilitating, or otherwise participating in the <i>Use</i> or <i>Attempted Use</i> by another <i>Person</i> of a <i>Prohibited Substance</i> or <i>Prohibited Method</i> . However, this definition shall not include the actions of bona fide medical personnel involving a <i>Prohibited Substance</i> or <i>Prohibited Method</i> used for genuine and legal therapeutic purposes or other acceptable justification and shall not include actions involving <i>Prohibited Substances</i> which are not prohibited in <i>Out-of-Competition Testing</i> unless the circumstances as a whole demonstrate that such <i>Prohibited Substances</i> are not intended for genuine and legal therapeutic purposes or are intended to enhance sport performance.
<i>Adverse Analytical Finding</i>	AAF	A report from a WADA-accredited laboratory or other approved Testing laboratory that, consistent with the International Standard for Laboratories and related Technical Documents, identifies in a <i>Sample</i> the presence of a <i>Prohibited Substance</i> or its <i>Metabolites</i> or <i>Markers</i> (including elevated quantities of endogenous substances) or evidence of the <i>Use</i> of a <i>Prohibited Method</i> .
<i>Adverse Passport Finding</i>		A report identified as an <i>Adverse Passport Finding</i> as described in the applicable <i>International Standards</i> .
<i>Anti-Doping Organisation</i>		A <i>Signatory</i> that is responsible for adopting rules for initiating, implementing or enforcing any part of the <i>Doping Control</i> process. This includes, for example, the International Olympic Committee, the International Paralympic Committee, other <i>Major Event Organisations</i> that conduct <i>Testing</i> at their <i>Events</i> , WADA, <i>International Sports Federations</i> , and <i>National Anti-Doping Organisations</i> .
<i>Anti-doping Administration and Management System</i>	ADAMS	Web-based database management tool for data entry, storage, sharing, and reporting designed to assist stakeholders and WADA in their anti-doping operations in conjunction with data protection legislation.
<i>Athlete</i>		Any <i>Person</i> who competes in sport at the international level (as defined by each <i>International Sports Federation</i> ) or the national level (as defined by each <i>National Anti-Doping Organisation</i> ). An <i>Anti-Doping Organisation</i> has discretion to apply anti-doping rules to an <i>Athlete</i> who is neither an <i>International-Level Athlete</i> nor a <i>National-Level Athlete</i> , and thus to bring them within the definition of "Athlete." In relation to <i>Athletes</i> who are neither <i>International-Level</i> nor <i>National-Level Athletes</i> , an <i>Anti-Doping Organisation</i> may elect to: conduct limited <i>Testing</i> or no <i>Testing</i> at all; analyse <i>Samples</i> for less than the full menu of <i>Prohibited Substances</i> ; require limited or no whereabouts information; or not require advance <i>TUEs</i> . However, if an Article 2.1, 2.3 or 2.5 anti-doping rule violation is committed by any <i>Athlete</i> over whom an <i>Anti-Doping Organisation</i> has authority who competes below the international or national level, then the <i>Consequences</i> set forth in the <i>Code</i> (except Article 3.2) must be applied. For purposes of Article 2.8 and Article 2.9 and for purposes of anti-doping information and education, any <i>Person</i> who participates in

		sport under the authority of any <i>Signatory</i> , government, or other sports organisation accepting the <i>Code</i> is an <i>Athlete</i> .
<i>Athlete Biological Passport</i>		The programme and methods of gathering and collating data as described in the International Standard for Testing and Investigations and International Standard for Laboratories.
<i>Athlete Support Personnel</i>		Any coach, trainer, manager, agent, team staff, official, medical, paramedical personnel, parent or any other <i>Person</i> working with treating or assisting an <i>Athlete</i> participating in or preparing for sports <i>Competition</i> .
<i>Attempt</i>		Purposely engaging in conduct that constitutes a substantial step in a course of conduct planned to culminate in the commission of an anti-doping rule violation. Provided, however, there shall be no anti-doping rule violation based solely on an <i>Attempt</i> to commit a violation if the <i>Person</i> renounces the <i>Attempt</i> prior to it being discovered by a third party not involved in the <i>Attempt</i> .
<i>Atypical Finding</i>	<i>ATF</i>	A report from a WADA-accredited laboratory or other WADA-approved laboratory which requires further investigation as provided by the International Standard for Laboratories or related Technical Documents prior to the determination of an <i>Adverse Analytical Finding</i> .
<i>Atypical Passport Finding</i>	<i>ATPF</i>	A report described as an <i>Atypical Passport Finding</i> in the applicable <i>International Standards</i> .
<i>Chaperone</i>		Official who is trained and authorised by the <i>National Anti-Doping Organisation</i> to carry out specific duties including one or more of the following: notifying the <i>Athlete</i> selected for <i>Sample</i> collection, accompanying and observing the <i>Athlete</i> until arrival at the <i>Doping Control Station</i> , and/or witnessing and verifying the provision of the <i>Sample</i> where the training qualifies him/her to do so.
<i>Code</i>		The World Anti-Doping <i>Code</i> .
<i>Competition</i>		A single race, match, game or singular sport contest.
<i>Consequences of Anti-Doping Rule Violations ("Consequences")</i>		An <i>Athlete's</i> or other <i>Person's</i> violation of an anti-doping rule may result in one or more of the following: (a) <u>Disqualification</u> means the <i>Athlete's</i> results in a particular <i>Competition</i> or <i>Event</i> are invalidated, with all resulting <i>Consequences</i> including forfeiture of any medals, points and prizes; (b) <u>Ineligibility</u> means the <i>Athlete</i> or other <i>Person</i> is barred on account of an anti-doping rule violation for a specified period of time from participating in any <i>Competition</i> or other activity or funding as provided in Article 10.12.1 of the <i>Code</i> ; (c) <u>Provisional Suspension</u> means the <i>Athlete</i> or other <i>Person</i> is barred temporarily from participating in any <i>Competition</i> or activity prior to the final decision at a hearing conducted under Article 14.9; (d) <u>Financial Consequences</u> means a financial sanction imposed for an anti-doping rule violation or to recover costs associated with an anti-doping rule violation; and (e) <u>Public Disclosure or Public Reporting</u> means the dissemination or distribution of information to the general public or <i>Persons</i> beyond those <i>Persons</i> entitled to earlier notification in accordance with Article 14.14. Teams in <i>Team Sports</i> may also be subject to <i>Consequences</i> as provided in Article 14.12.
<i>Contaminated Product</i>		A product that contains a <i>Prohibited Substance</i> that is not disclosed on the product label or in information available in a reasonable Internet search.

**FISU REGULATIONS version August 2016**  
**SU 2017 Taipei City, Chinese Taipei**

<i>Courier</i>		An authorised <i>Person</i> or company that will bring the <i>Samples</i> in a secure and safe way from the <i>Doping Control Station</i> to the laboratory.
<i>Court of Arbitration for Sport</i>	CAS	Court of Arbitration for Sport.
<i>Disqualification</i>		See <i>Consequences of Anti-Doping Rule Violations</i> above.
<i>Doping Control</i>		All steps and processes from test distribution planning through to ultimate disposition of any appeal including all steps and processes in between such as provision of whereabouts information, <i>Sample</i> collection and handling, laboratory analysis, <i>TUEs</i> , results management and hearings.
<i>Doping Control Officer</i>	DCO	Official who has been trained and authorised by the <i>Anti-Doping Organisation</i> with delegated responsibility for the on-site management of a <i>Sample</i> collection session.
<i>Doping Control Station</i>		Location where the <i>Sample</i> collection session is conducted.
<i>Doping Offence</i>		Any violations or <i>Attempt</i> of violations of the FISU Anti-Doping Rules.
<i>Event</i>		An <i>Event</i> organised under the control of FISU including the Winter Universiade, the Summer Universiade and the World University Championships.
<i>Event Venues</i>		Those venues so designated by the FISU.
<i>Event Period</i>		The time between the beginning and end of an <i>Event</i> as defined by FISU.
<i>Fault</i>		Any breach of duty or any lack of care appropriate to a particular situation. Factors to be taken into consideration in assessing an <i>Athlete</i> or other <i>Person's</i> degree of <i>Fault</i> include, for example, the <i>Athlete's</i> or other <i>Person's</i> experience, whether the <i>Athlete</i> or other <i>Person</i> is a <i>Minor</i> , special considerations such as impairment, the degree of risk that should have been perceived by the <i>Athlete</i> and the level of care and investigation exercised by the <i>Athlete</i> in relation to what should have been the perceived level of risk. In assessing the <i>Athlete's</i> or other <i>Person's</i> degree of <i>Fault</i> , the circumstances considered must be specific and relevant to explain the <i>Athlete's</i> or other <i>Person's</i> departure from the expected standard of behaviour. Thus, for example, the fact that an <i>Athlete</i> would lose the opportunity to earn large sums of money during a period of <i>Ineligibility</i> , or the fact that the <i>Athlete</i> only has a short time left in his or her career, or the timing of the sporting calendar, would not be relevant factors to be considered in reducing the period of <i>Ineligibility</i> under Article 10.5.1 or 10.5.2 of the <i>Code</i> .
<i>Financial Consequences</i>		See <i>Consequences of Anti-Doping Rule Violations</i> above.
<i>In-Competition</i>		For purposes of these Anti-Doping Rules, during the <i>Event Period</i> .
<i>Independent Observer Programme</i>		A team of observers, under the supervision of <i>WADA</i> , who observe and provide guidance on the <i>Doping Control</i> process at certain <i>Events</i> and report on their observations.
<i>Individual Sport</i>		Any sport that is not a <i>Team Sport</i> .
<i>Ineligibility</i>		See <i>Consequences of Anti-Doping Rule Violations</i> above.
<i>International Event</i>		An <i>Event</i> or <i>Competition</i> where the International Olympic Committee, the International Paralympic Committee, an <i>International Sports Federation</i> , a <i>Major Event Organisation</i> , or another international sport organisation is the ruling body for the <i>Event</i> or appoints the technical officials for the <i>Event</i> .

**FISU REGULATIONS version August 2016**  
**SU 2017 Taipei City, Chinese Taipei**

<i>International-Level Athlete</i>		<i>Athletes</i> who compete in sport at the international level, as defined by each <i>International Sports Federation</i> , consistent with the International Standard for Testing and Investigations.
<i>International Sports Federation</i>	<i>ISF</i>	International non-governmental sports organisation administering one or more sports at global level.
<i>International Standard</i>		A standard adopted by WADA in support of the <i>Code</i> . Compliance with an <i>International Standard</i> (as opposed to another alternative standard, practice or procedure) shall be sufficient to conclude that the procedures addressed by the <i>International Standard</i> were performed properly. <i>International Standards</i> shall include any Technical Documents issued pursuant to the <i>International Standard</i> .
<i>Major Event Organisations</i>		The continental associations of National Olympic Committees and other international multi-sport organisations that function as the ruling body for any continental, regional or other International Event. For purposes of these Anti-Doping Rules, the Major Event Organisation is FISU.
<i>Marker</i>		A compound, group of compounds or biological variable(s) that indicates the <i>Use of a Prohibited Substance or Prohibited Method</i> .
<i>Metabolite</i>		Any substance produced by a biotransformation process.
<i>Minor</i>		A natural <i>Person</i> who has not reached the age of eighteen years.
<i>National Anti-Doping Organisation</i>	<i>NADO</i>	The entity(ies) designated by each country as possessing the primary authority and responsibility to adopt and implement anti-doping rules, direct the collection of <i>Samples</i> , the management of test results, and the conduct of hearings at the national level. If this designation has not been made by the competent public authority(ies), the entity shall be the country's <i>National Olympic Committee</i> or its designee.
<i>National Event</i>		A sport <i>Event</i> or <i>Competition</i> involving <i>International-</i> or <i>National-Level Athletes</i> that is not an <i>International Event</i> .
<i>National Sports Federation</i>	<i>NSF</i>	A national or regional sports entity which is a member of or is recognised by an <i>International Sports Federation</i> as the entity governing the <i>International Sports Federation's</i> sport in that nation or region.
<i>National University Sports Federation</i>	<i>NUSF</i>	National sports entity that is a member of the International University Sports Federation (FISU) and whose statutes and internal regulations are in accordance with the aims and objects appearing in the FISU Statutes and Internal Regulations. As active member of FISU, the <i>NUSF</i> is entitled to full participation in the governance, activities and services of FISU.
<i>National-Level Athlete</i>		<i>Athletes</i> who compete in sport at the national level, as defined by each <i>National Anti-Doping Organisation</i> , consistent with the International Standard for Testing and Investigations.
<i>No Fault or Negligence</i>		The <i>Athlete</i> or other <i>Person's</i> establishing that s/he did not know or suspect, and could not reasonably have known or suspected even with the exercise of utmost caution, that s/he had <i>Used</i> or been administered the <i>Prohibited Substance</i> or <i>Prohibited Method</i> or otherwise violated an anti-doping rule. Except in the case of a <i>Minor</i> , for any violation of Article 14.2.1, the <i>Athlete</i> must also establish how the <i>Prohibited Substance</i> entered his or her system.
<i>No Significant Fault or Negligence</i>		The <i>Athlete's</i> or other <i>Person's</i> establishing that his or her <i>Fault</i> or negligence, when viewed in the totality of the circumstances and taking into account the criteria for <i>No Fault or Negligence</i> , was not significant in relationship to the anti-doping rule violation. Except in the case of a <i>Minor</i> , for any violation of Article 14.2.1, the <i>Athlete</i> must also establish

		how the <i>Prohibited Substance</i> entered his or her system.
<i>Out-of-Competition</i>		Any period which is not <i>In-Competition</i> .
<i>Participant</i>		Any <i>Athlete</i> or <i>Athlete Support Person</i> .
<i>Person</i>		A natural <i>Person</i> or an organisation or other entity.
<i>Possession</i>		The actual, physical <i>Possession</i> , or the constructive <i>Possession</i> (which shall be found only if the <i>Person</i> has exclusive control or intends to exercise control over the <i>Prohibited Substance</i> or <i>Method</i> or the premises in which a <i>Prohibited Substance</i> or <i>Method</i> exists); provided, however, that if the <i>Person</i> does not have exclusive control over the <i>Prohibited Substance</i> or <i>Method</i> or the premises in which a <i>Prohibited Substance</i> or <i>Method</i> exists, constructive <i>Possession</i> shall only be found if the <i>Person</i> knew about the presence of the <i>Prohibited Substance/Method</i> or and intended to exercise control over it. Provided, however, there shall be no anti-doping rule violation based solely on <i>Possession</i> if, prior to receiving notification of any kind that the person has committed an anti-doping rule violation, the <i>Person</i> has taken concrete action demonstrating that s/he never intended to have <i>Possession</i> and has renounced <i>Possession</i> by explicitly declaring it to an <i>Anti-Doping Organisation</i> . Notwithstanding anything to the contrary in this definition, the purchase (including by any electronic or other means) of a <i>Prohibited Substance</i> or <i>Prohibited Method</i> constitutes <i>Possession</i> by the <i>Person</i> who makes the purchase.
<i>Prohibited List</i>		The List identifying the <i>Prohibited Substances</i> and <i>Prohibited Methods</i> .
<i>Prohibited Method</i>		Any method so described on the <i>Prohibited List</i> .
<i>Prohibited Substance</i>		Any substance, or class of substances, so described on the <i>Prohibited List</i> .
<i>Provisional Hearing</i>		For purposes of Article 14.8.6, an expedited abbreviated hearing occurring prior to a hearing under Article 14.9 that provides the <i>Athlete</i> with notice and an opportunity to be heard in either written or oral form.
<i>Provisional Suspension</i>		See <i>Consequences of Anti-Doping Rule Violations</i> above.
<i>Publicly Disclose or Publicly Report</i>		See <i>Consequences of Anti-Doping Rule Violations</i> above.
<i>Regional Anti-Doping Organisation</i>	<i>RADO</i>	A regional entity designated by member countries to coordinate and manage delegated areas of their national anti-doping programmes, which may include the adoption and implementation of anti-doping rules, the planning and collection of <i>Samples</i> , the management of results, the review of <i>TUEs</i> , the conduct of hearings, and the conduct of educational programmes at a regional level.
<i>Registered Testing Pool</i>		The pool of highest-priority <i>Athletes</i> established separately at the international level by <i>International Sports Federations</i> and at the national level by <i>National Anti-Doping Organisations</i> , who are subject to focused <i>In-Competition</i> and <i>Out-of-Competition Testing</i> as part of that <i>International Sports Federation's</i> or <i>National Anti-Doping Organisation's</i> test distribution plan and therefore are required to provide whereabouts information as provided in Article 5.6 of the <i>Code</i> and the International Standard for Testing and Investigations.
<i>Sample or Specimen</i>		Any biological material collected for the purposes of <i>Doping Control</i> .
<i>Signatories</i>		Those entities signing the <i>Code</i> and agreeing to comply with the <i>Code</i> , as provided in Article 23 of the <i>Code</i> .

<i>Specified substance</i>		All <i>Prohibited Substances</i> except anabolic agents and hormones; and those stimulants and hormone antagonists and modulators so identified on the <i>Prohibited List</i> .
<i>Strict Liability</i>		The rule which provides that under Article 14.2.1 and Article 14.2.2, it is not necessary that intent, <i>Fault</i> , negligence, or knowing <i>Use</i> on the <i>Athlete's</i> part be demonstrated by the <i>Anti-Doping Organisation</i> in order to establish an anti-doping rule violation.
<i>Substantial Assistance</i>		For purposes of Article 10.6.1 of the <i>Code</i> , a <i>Person</i> providing <i>Substantial Assistance</i> must: (1) fully disclose in a signed written statement all information s/he possesses in relation to anti-doping rule violations, and (2) fully cooperate with the investigation and adjudication of any case related to that information, including, for example, presenting testimony at a hearing if requested to do so by an <i>Anti-Doping Organisation</i> or hearing panel. Further, the information provided must be credible and must comprise an important part of any case which is initiated or, if no case is initiated, must have provided a sufficient basis on which a case could have been brought.
<i>Suitable Volume of Urine for Analysis</i>		A minimum of 90 ml for full or part menu analysis.
<i>Suitable Specific Gravity for Analysis</i>		Specific gravity which satisfies laboratory requirements for analysis.
<i>Tampering</i>		Altering for an improper purpose or in an improper way; bringing improper influence to bear; interfering improperly; obstructing, misleading or engaging in any fraudulent conduct to alter results or prevent normal procedures from occurring.
<i>Target Testing</i>		Selection of specific <i>Athletes</i> for testing based on criteria set forth in the International Standard for Testing and Investigations.
<i>Team Sport</i>		For the purposes of <i>Doping Control</i> , a sport in which the substitution of players is permitted during a <i>Competition</i> .
<i>Testing</i>		The parts of the <i>Doping Control</i> process involving test distribution planning, <i>Sample</i> collection, <i>Sample</i> handling, and <i>Sample</i> transport to the laboratory.
<i>Trafficking</i>		Selling, giving, transporting, sending, delivering or distributing (or <i>Possessing</i> for any such purpose) a <i>Prohibited Substance</i> or <i>Prohibited Method</i> (either physically or by any electronic or other means) by an <i>Athlete</i> , <i>Athlete Support Person</i> or any other <i>Person</i> subject to the jurisdiction of an <i>Anti-Doping Organisation</i> to any third party; provided, however, this definition shall not include the actions of "bona fide" medical personnel involving a <i>Prohibited Substance</i> used for genuine and legal therapeutic purposes or other acceptable justification, and shall not include actions involving <i>Prohibited Substances</i> which are not prohibited in <i>Out-of-Competition Testing</i> unless the circumstances as a whole demonstrate such <i>Prohibited Substances</i> are not intended for genuine and legal therapeutic purposes or are intended to enhance sport performance.
<i>Therapeutic Use Exemption</i>	<i>TUE</i>	Permission to <i>Use</i> for therapeutic purposes, in accordance with the International Standard for <i>Therapeutic Use Exemptions</i> , substances or methods contained in the list of <i>Prohibited Substances</i> or <i>Methods</i> whose <i>Use</i> is otherwise forbidden.
<i>Therapeutic Use Exemption Committee</i>	<i>TUEC</i>	Committee established by FISU for the consideration of application for and granting of a <i>TUE</i> .

<i>UNESCO Convention</i>		The International Convention against Doping in Sport adopted by the 33 <sup>rd</sup> session of the UNESCO General Conference on 19 October 2005 including any and all amendments adopted by the States Parties to the Convention and the Conference of Parties to the International Convention against Doping in Sport.

## **14.1 GENERALITIES**

- 14.1.1 Doping is defined as the occurrence of one or more of the anti-doping violations set forth in these Anti-Doping rules.
- 14.1.2 These Anti-Doping rules apply to the Summer Universiades under the control of FISU. All Athletes and each Athlete Support Personnel participating are subject to these Anti-Doping rules.
- 14.1.3 It is the personal responsibility of any Athlete subject to the provisions of the Code to ensure s/he does not Use or allow the Use of any Prohibited Substances or Methods and is not in Possession of any Prohibited Substance.
- 14.1.4 FISU strongly condemns the Use of Prohibited Substances or Prohibited Methods by Athletes on both ethical and health grounds. FISU is a WADA Signatory and all Athletes participating in a FISU Event are required to accept the WADA Code and abide by the Code.
- 14.1.5 Doping Control may include urine Samples, blood tests and other authorised techniques for detecting Prohibited Substances or Methods.
- 14.1.6 Team officials should ensure that Athletes under their control are warned in advance that they may be required to undertake Doping Control tests. Those test results are reported to WADA, the Athletes' NADO and appropriate NUSF, ISF or NSF.
- 14.1.7 Any Athlete who tries to avoid or refuses to take a doping test or who is found guilty of doping shall, in addition to the Consequences as described in the Code, be subjected to disciplinary actions.
- 14.1.8 For the interpretation of these Anti-Doping rules, the FISU International Medical Committee (CMI) is the sole authority. If there is a conflict between the English and French version, the English version will prevail.

## **14.2 ANTI-DOPING RULES VIOLATIONS**

*Athletes* and other *Persons* shall be responsible for knowing what constitutes an anti-doping rule violation and the substances and methods which have been included on the *Prohibited List*.

The following constitute anti-doping rule violations:

**14.2.1 Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample***

14.2.1.1 It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body. Athletes are responsible for any Prohibited Substance or its Metabolites or Markers found to be present in their Samples. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Athlete's part be demonstrated in order to establish an anti-doping rule violation under Article 14.2.1.

14.2.1.2 Sufficient proof of an anti-doping rule violation under Article 14.2.1 is established by any of the following: presence of a Prohibited Substance or its Metabolites or Markers in the Athlete's A Sample where the Athlete waives analysis of the B Sample and the B Sample is not analysed; or, where the Athlete's B Sample is analysed and the analysis of the Athlete's B Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Athlete's A Sample; or, where the Athlete's B Sample is split into two bottles and the analysis of the second bottle confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the first bottle.

14.2.1.3 Excepting those substances for which a quantitative threshold is specifically identified in the Prohibited List, the presence of any quantity of a Prohibited Substance or its Metabolites or Markers in an Athlete's Sample shall constitute an anti-doping rule violation.

14.2.1.4 As an exception to the general rule of Article 14.2.1, the Prohibited List or International Standards may establish special criteria for the evaluation of Prohibited Substances that can also be produced endogenously.

**14.2.2 Use or Attempted Use by an Athlete of a Prohibited Substance or a Prohibited Method**

14.2.2.1 It is each Athlete's personal duty to ensure that no Prohibited Substance enters his or her body and that no Prohibited Method is Used. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Athlete's part be demonstrated in order to establish an anti-doping rule violation for Use of a Prohibited Substance or a Prohibited Method.

14.2.2.2 The success or failure of the Use or Attempted Use of a Prohibited Substance or Prohibited Method is not material. It is sufficient that the Prohibited

Substance or Prohibited Method was Used or Attempted to be Used for an anti-doping rule violation to be committed.

**14.2.3 Evading, refusing or failing to submit to Sample collection**

Evading *Sample* collection, or without compelling justification, refusing or failing to submit to *Sample* collection after notification as authorised in these Anti-Doping rules, or other applicable anti-doping rules.

**14.2.4 Whereabouts Failures**

Any combination of three missed tests and/or filing failures, as defined in the International Standard for Testing and Investigations, within a twelve-month period by an *Athlete* in a *Registered Testing Pool*.

**14.2.5 Tampering or Attempted Tampering with any part of Doping Control**

Conduct which subverts the *Doping Control* process but which would not otherwise be included in the definition of *Prohibited Methods*. *Tampering* shall include, without limitation, intentionally interfering or attempting to interfere with a *Doping Control* official, providing fraudulent information to an *Anti-Doping Organisation* or intimidating or attempting to intimidate a potential witness.

**14.2.6 Possession of a Prohibited Substance or a Prohibited Method**

14.2.6.1 Possession by an Athlete In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by an Athlete Out-of-Competition of any Prohibited Method or any Prohibited Substance which is prohibited in Out-of-Competition Testing unless the Athlete establishes that the Possession is consistent with a Therapeutic Use Exemption ("TUE") granted in accordance with Article 14.4 or other acceptable justification.

14.2.6.2 Possession by Athlete Support Person In-Competition of any Prohibited Method or any Prohibited Substance, or Possession by Athlete Support Personnel Out-of-Competition of any Prohibited Method or any Prohibited Substance which is prohibited Out-of-Competition, in connection with an Athlete, Competition or training, unless the Athlete Support Personnel establishes that the Possession is consistent with a TUE granted to an Athlete in accordance with Article 14.4 or other acceptable justification.

**14.2.7 Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method**

**14.2.8 Administration or Attempted Administration to any Athlete In-Competition of any Prohibited Method or Prohibited Substance, or Administration or Attempted Administration to any Athlete Out-of-Competition of any Prohibited Method or any Prohibited Substance that is prohibited Out-of-Competition**

**14.2.9 Complicity**

Assisting, encouraging, aiding, abetting, conspiring, covering up or any other type of intentional complicity involving an anti-doping rule violation, Attempted anti-doping rule violation or violation of Article 10.12.1 of the *Code* by another *Person*.

**14.2.10 Prohibited Association**

Association by an Athlete or other Person subject to the authority of an Anti-Doping Organisation in a professional or sport-related capacity with any Athlete Support Person who:

- 14.2.10.1 If subject to the authority of an Anti-Doping Organisation, is serving a period of Ineligibility; or
- 14.2.10.2 If not subject to the authority of an Anti-Doping Organisation, and where Ineligibility has not been addressed in a results management process pursuant to the Code, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if Code-compliant rules had been applicable to such Person. The disqualifying status of such Person shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or
- 14.2.10.3 Is serving as a front or intermediary for an individual described in Article 14.2.10.1 or 14.2.10.2.

In order for this provision to apply, it is necessary that the *Athlete* or other *Person* has previously been advised in writing by an *Anti-Doping Organisation* with jurisdiction over the *Athlete* or other *Person*, or by WADA, of the *Athlete Support Person's* disqualifying status and the potential *Consequence* of prohibited association and that the *Athlete* or other *Person* can reasonably avoid the association. The *Anti-Doping Organisation* shall also use reasonable efforts to advise the *Athlete Support Person* who is the subject of the notice to

the *Athlete* or other *Person* that the *Athlete Support Person* may, within 15 days, come forward to the *Anti-Doping Organisation* to explain that the criteria described in Articles 14.2.10.1 and 14.2.10.2 do not apply to him or her. (Notwithstanding Article 14.16, this Article applies even when the *Athlete Support Person's* disqualifying conduct occurred prior to the effective date provided in Article 25 of the *Code*.)

The burden shall be on the *Athlete* or other *Person* to establish that any association with *Athlete Support Personnel* described in Article 14.2.10.1 or 14.2.10.2 is not in a professional or sport-related capacity.

*Anti-Doping Organisations* that are aware of *Athlete Support Personnel* who meet the criteria described in Article 14.2.10.1, 14.2.10.2, or 14.2.10.3 shall submit that information to *WADA*.

### **14.3 PROOF OF DOPING**

#### **14.3.1 Burdens and Standards of Proof**

FISU shall have the burden of establishing that an anti-doping rule violation has occurred. The standard of proof shall be whether FISU has established an anti-doping rule violation to the comfortable satisfaction of the hearing panel bearing in mind the seriousness of the allegation that is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. Where the *Code* or these Anti-Doping Rules places the burden of proof upon the *Athlete* or other *Person* alleged to have committed an anti-doping rule violation to rebut a presumption or establish specified facts or circumstances, the standard of proof shall be by a balance of probability.

#### **14.3.2 Methods of Establishing Facts and Presumptions**

Facts related to anti-doping rule violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in doping cases:

- 14.3.2.1 Analytical methods or decision limits approved by WADA after consultation within the relevant scientific community and which have been the subject of peer review are presumed to be scientifically valid. Any *Athlete* or other *Person* seeking to rebut this presumption of scientific validity shall, as a condition precedent to any such challenge, first notify WADA of the challenge and the basis of the challenge. CAS on its own initiative may also inform WADA of any such challenge. At WADA's request, the CAS panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge. Within 10 days of WADA's receipt of such notice, and WADA's

receipt of the CAS file, WADA shall also have the right to intervene as a party, appear amicus curiae or otherwise provide evidence in such proceeding.

- 14.3.2.2 WADA-accredited laboratories, and other laboratories approved by WADA, are presumed to have conducted Sample analysis and custodial procedures in accordance with the International Standard for Laboratories. The Athlete or other Person may rebut this presumption by establishing that a departure from the International Standard for Laboratories occurred which could reasonably have caused Adverse Analytical Finding. If the Athlete or other Person rebuts the preceding presumption by showing that a departure from the International Standard for Laboratories occurred which could reasonably have caused the Adverse Analytical Finding, then, FISU shall have the burden to establish that such departure did not cause the Adverse Analytical Finding.
- 14.3.2.3 Departures from any other International Standard or other anti-doping rule or policy set forth in the Code or these Anti-Doping Rules which did not cause an Adverse Analytical Finding or other anti-doping rule violation shall not invalidate such evidence or results. If the Athlete or other Person establishes a departure from another International Standard or other anti-doping rule or policy which could reasonably have caused an anti-doping rule violation based on an Adverse Analytical Finding or other anti-doping rule violation, then FISU shall have the burden to establish that such departures did not cause the Adverse Analytical Finding or the factual basis for the anti-doping rule violation.
- 14.3.2.4 The facts established by a decision of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebutable evidence against the Athlete or other Person to whom the decision pertained of those facts unless the Athlete or other Person establishes that the decision violated principles of natural justice.
- 14.3.2.5 The Disciplinary Commission in a hearing on an anti-doping rule violation may draw an inference adverse to the Athlete or other Person who is asserted to have committed an anti-doping rule violation based on the Athlete's or other Person's refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person, in writing or telephonically as directed by the hearing panel) and to answer questions from the Disciplinary Commission or FISU.

#### **14.4 THE PROHIBITED LIST**

##### **14.4.1 Prohibited Substances and Prohibited Methods identified on the Prohibited List**

The list of *Prohibited Substances* and *Methods* is the current WADA *Prohibited List*. The *Prohibited List* in force is available on WADA's website at: [www.wada-ama.org](http://www.wada-ama.org).

**14.4.1.1 Prohibited Substances and Prohibited Methods**

Unless provided otherwise in the *Prohibited List* and/or a revision, the *Prohibited List* and revisions shall go into effect under these Anti-Doping Rules three months after publication of the *Prohibited List* by WADA, without requiring any further action by FISU.

**14.4.1.2 All Athletes and other Persons shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Athletes and other Persons to familiarise themselves with the most up-to-date version of the Prohibited List and all revisions thereto.**

**14.4.1.3 Specified Substances**

For purposes of the application of Article 14.11, all *Prohibited Substances* shall be *Specified Substances* except substances in the classes of anabolic agents and hormones; and those stimulants and hormone antagonists and modulators so identified on the *Prohibited List*. The category of *Specified Substances* shall not include *Prohibited Methods*.

**14.4.2 WADA's Determination of the Prohibited List**

WADA's determination of the *Prohibited Substances and Prohibited Methods* that will be included on the *Prohibited List*, the classification of substances into categories on the *Prohibited List*, and the classification of a substance as prohibited at all times or *In-Competition* only, is final and shall not be subject to challenge by an *Athlete* or other *Person* based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk or violate the spirit of sport.

**14.4.3 Therapeutic Use Exemptions ("TUEs")**

**14.4.3.1 The presence of a Prohibited Substance or its Metabolites or Markers and/or the Use or Attempted Use, Possession or Administration or Attempted Administration of a Prohibited Substance or Prohibited Method shall not be considered an anti-doping rule violation if it is consistent with the provisions of a TUE granted in accordance with the International Standard for Therapeutic Use Exemptions.**

- 14.4.3.2 Where the Athlete already has a TUE granted by his or her NADO or ISF, s/he should apply to the FISU TUE Committee (the "TUEC") for recognition of that TUE. If that TUE meets the criteria set out in the International Standard for Therapeutic Use Exemptions, the TUEC must recognise it. If the TUEC decides the TUE does not meet those criteria and so refuses to recognise it, it must notify the Athlete promptly, explaining its reasons.
- 14.4.3.3 The Athlete who wishes to Use a Prohibited Substance or a Prohibited Method in connection with the FISU Event and does not already have a TUE should apply to his/her respective ISF or NADO. The application for a TUE may be made as soon as possible (as soon as s/he is notified of his/her selection to participate in a FISU Event) and in any Event (save in emergency situations) no later than 30 days before the Athlete's participation in the Event.
- 14.4.3.4 FISU shall appoint a panel of physicians from the FISU Medical Committee to consider, in exceptional circumstances, requests from Athletes participating in FISU Events for TUEs. These, if granted, will be valid only for the duration of that Event. These applications may be made using ADAMS.
- 14.4.3.5 The TUEC shall promptly evaluate the application in accordance with the International Standard for Therapeutic Use Exemptions and render a decision as quickly as possible, which decisions may be reported via ADAMS. The provisions of the International Standard for Therapeutic Use Exemptions shall be complied with during the whole process and applied automatically.
- 14.4.3.6 A decision by FISU not to recognise or not to grant a TUE may be appealed by the Athlete exclusively to the independent TUE Appeal Committee for that purpose. If the Athlete does not appeal (or the TUE Appeal Committee decides to uphold the refusal to grant/recognise the TUE and so rejects the appeal), the Athlete may not Use the substance or method in question in connection with the Event, but any TUE granted by his/her ISF or NADO for that substance or method remains valid outside of that Event.
- 14.4.3.7 WADA may review FISU's decisions on TUEs at any time, whether upon request by those affected or on its own initiative. If the TUE decision being reviewed meets the criteria set out in the International Standard for Therapeutic Use Exemptions, WADA will not interfere with it. If the TUE decision does not meet those criteria, WADA will reverse it.
- 14.4.3.8 A failure to take action within a reasonable time on a properly submitted application for grant/ recognition of a TUE or for review of a TUE decision shall be considered a denial of the application.

## **14.5 TESTING AND INVESTIGATIONS**

### **14.5.1 Purpose of Testing and Investigations**

*Testing* and investigations shall only be undertaken for anti-doping purposes. They shall be conducted in conformity with the provisions of the International Standard for Testing and Investigations and the specific protocols of FISU supplementing that *International Standard*.

14.5.1.1 Testing shall be undertaken to obtain analytical evidence as to the Athlete's compliance (or non-compliance) with the strict prohibition on the presence/Use of a Prohibited Substance or Prohibited Method. Test distribution planning, Testing, post-Testing activity and all related activities shall be conducted by FISU in conformity with the International Standard for Testing and Investigations. FISU shall determine the number of finishing placement tests, random tests and target tests to be performed in accordance with the criteria established by the International Standard for Testing and Investigations. All provisions of the International Standard for Testing and Investigations shall apply automatically in respect of all such Testing.

14.5.1.2 Investigations shall be undertaken:  
14.5.1.2.1 in relation to *Atypical Findings*, in accordance with Article 14.8.3, gathering intelligence or evidence (including, in particular, analytical evidence) in order to determine whether an anti-doping rule violation has occurred under Article 14.2.1 and/or Article 14.2.2 ; and  
14.5.1.2.2 in relation to other indications of potential anti-doping rule violations, in accordance with Articles 14.8.4 and 14.8.5, gathering intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an anti-doping rule violation has occurred under any of Articles 14.2.2 to 14.2.10.

14.5.1.3 FISU may obtain, assess and process anti-doping intelligence from all available sources, to inform the development of an effective, intelligent and proportionate test distribution plan, to plan Target Testing, and/or to form the basis of an investigation into a possible anti-doping rule violation(s).

### **14.5.2 Authority to conduct Testing**

14.5.2.1 Subject to the jurisdictional limitations for Event Testing set out in Article 5.3 of the Code, FISU shall have In-Competition Testing authority for the Event Period and Out-of-Competition Testing authority over all Athletes entered in

one of its future Events or who have otherwise been made subject to the Testing authority of FISU for a future Event. At the request of FISU, any Testing during the Event Period outside of the Event Venues shall be coordinated with FISU.

14.5.2.2 FISU may require any Athlete over whom it has Testing authority to provide a Sample at any time and at any place.

14.5.2.3 Subject to Article 5.3.1 of the Code, FISU shall have exclusive authority to initiate and direct Testing at the Event Venue during the Event Period. In accordance with Article 5.3.1 of the Code, not only FISU but also other Anti-Doping Organisations with Testing authority over Athletes participating at the Event, may test such Athletes during the Event Period outside of the Event Venues. Such Testing shall be coordinated with FISU.

14.5.2.4 WADA shall have In-Competition and Out-of-Competition Testing authority as set out in Article 20.7.8 of the Code.

**14.5.3 Delegation of responsibility, overseeing and monitoring of Doping Control**

14.5.3.1 FISU has the authority to appoint any Sample Collection Authority (as defined in the International Standard for Testing and Investigations) it deems appropriate to collect Samples on its behalf. Such Sample Collection Authority shall comply with the Code and the International Standard for Testing and Investigations in respect of such Testing.

14.5.3.2 The FISU Medical Committee will be responsible for overseeing all Doping Control conducted by FISU and/or any Sample Collection Authority collecting Samples under its authority.

14.5.3.3 Doping Control may be monitored by members of the FISU Medical Committee or by other qualified Persons so authorised by FISU.

**14.5.4 Test Distribution Planning**

Consistent with the International Standard for Testing and Investigations, and in coordination with other *Anti-Doping Organisations* conducting *Testing* on the same *Athletes*, FISU shall develop and implement an effective, intelligent and proportionate test distribution plan for its *Event(s)* that prioritises appropriately between sports, disciplines, categories of *Athletes*, types of *Testing*, types of *Samples* collected, and types of *Sample* analysis, all in compliance with the requirements of the International Standard for Testing

and Investigations. FISU shall provide WADA upon request with a copy of its test distribution plan.

#### **14.5.5 Coordination of Testing**

Where reasonably feasible, *Testing* shall be coordinated through *ADAMS* or another system approved by *WADA* in order to maximise the effectiveness of the combined *Testing* effort and to avoid unnecessary repetitive *Testing*.

#### **14.5.6 Athlete Whereabouts Information**

14.5.6.1 Where an Athlete is in a Registered Testing Pool, FISU may access his/her Whereabouts Filings (as defined in the International Standard for Testing and Investigations) for the period for which the Athlete is subject to FISU's Testing authority. FISU will access the Athlete's Whereabouts Filings not via the Athlete but rather via the International Sports Federation or National Anti-Doping Organisation that is receiving the Athlete's Whereabouts Filings. FISU will not require the Athlete to file any different whereabouts information with it.

14.5.6.2 Where an Athlete is not in a Registered Testing Pool in the period for which the Athlete is subject to FISU's Testing authority, FISU may require him/her to provide such information about his/her whereabouts in that period as it deems necessary and proportionate in order to conduct Testing upon him/her, up to and including information equivalent to the Whereabouts Filings that an Athlete would have to make in accordance with Annex I to the International Standard for Testing and Investigations if s/he were in a Registered Testing Pool.

14.5.6.3 Whereabouts information relating to an Athlete shall be maintained in strict confidence at all times, shall be used exclusively for the purposes set out in Article 5.6 of the Code, and shall be destroyed in accordance with the International Standard for the Protection of Privacy and Personal Information once it is no longer relevant for these purposes.

#### **14.5.7 Retired Athletes Returning to Competition**

14.5.7.1 An Athlete in a Registered Testing Pool who retires and then wishes to return to active participation in sport may not participate in FISU's Events until s/he has given his/her International Sports Federation and National Anti-Doping Organisation written notice of his/her intent to resume competing and has made him/herself available for Testing for a period of six months, including (if requested) complying with the whereabouts requirements of Annex I to

the International Standard for Testing and Investigations. WADA, in consultation with the relevant International Sports Federation and National Anti-Doping Organisation, may grant an exemption to the six-month written notice rule where the strict application of that rule would be manifestly unfair to an Athlete. This decision may be appealed under Article 14.13. Any competitive results obtained in violation of this Article 14.5.6.1 shall be Disqualified.

- 14.5.7.2 If an Athlete retires from sport while subject to a period of Ineligibility, the Athlete shall not resume competing in FISU's Events until the Athlete has given six months prior written notice (or notice equivalent to the period of Ineligibility remaining as of the date the Athlete retired, if that period was longer than six months) to his/her International Sports Federation and National Anti-Doping Organisation of his/her intent to resume competing and has made him/herself available for Testing for that notice period, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations.

#### **14.5.8 Independent Observer Programme**

FISU shall authorise and facilitate the *Independent Observer Programme* at its *Event(s)*.

### **14.6 ANALYSIS OF SAMPLES**

#### **14.6.1 Use of Accredited and Approved Laboratories**

For purposes of Article 14.2.1, *Samples* shall be analysed only in laboratories accredited or otherwise approved by WADA. The choice of the WADA-accredited or WADA-approved laboratory used for the *Sample* analysis under these Anti-Doping Rules shall be determined by FISU.

#### **14.6.2 Purpose of Analysis of Samples**

- 14.6.2.1 Samples shall be analysed to detect Prohibited Substances and Prohibited Methods and other substances as may be directed by WADA pursuant to the Monitoring Programme described in Article 4.5 of the Code; or to assist in profiling relevant parameters in an Athlete's urine, blood or other matrix, including DNA or genomic profiling; or for any other legitimate anti-doping purpose. Samples may be collected and stored for future analysis.
- 14.6.2.2 FISU shall ask laboratories to analyse Samples in conformity with Article 6.4 and Article 4.7 of the International Standard for Testing and Investigations.

#### **14.6.3 Research on Samples**

No *Sample* may be used for research without the *Athlete's* written consent. *Samples* used for purposes other than Article 14.6.2.1 shall have any means of identification removed such that they cannot be traced back to a particular *Athlete*.

#### **14.6.4 Standards for Sample Analysis and Reporting**

Laboratories shall analyse *Samples* and report results in conformity with the International Standard for Laboratories. To ensure effective *Testing*, the Technical Document referenced at Article 5.4.1 of the *Code* will establish risk assessment-based *Sample* analysis menus appropriate for particular sports and sport disciplines, and laboratories shall analyse *Samples* in conformity with those menus, except as follows:

- 14.6.4.1 FISU may request that laboratories analyse its *Samples* using more extensive menus than those described in the Technical Document.
- 14.6.4.2 FISU may request that laboratories analyse its *Samples* using less extensive menus than those described in the Technical Document only if it has satisfied WADA that, because of the particular circumstances of the country or sport, as set out in its test distribution plan, less extensive analysis would be appropriate.
- 14.6.4.3 As provided in the International Standard for Laboratories, laboratories at their own initiative and expense may analyse *Samples* for Prohibited Substances or Prohibited Methods not included on the *Sample* analysis menu described in the Technical Document or specified by the Testing authority. Results from any such analysis shall be reported and have the same validity and consequence as any other analytical result.

#### **14.6.5 Further Analysis of Samples**

Any *Sample* may be stored and subsequently subjected to further analysis for the purposes set out in Article 14.6.2.1: (a) by WADA at any time; and/or (b) by FISU at any time before both the A and B *Sample* analytical results (or A *Sample* result where B *Sample* analysis has been waived or will not be performed) have been communicated by FISU to the *Athlete* as the asserted basis for an Article 14.2.1 anti-doping rule violation. Such further analysis of *Samples* shall conform with the requirements of the International Standard for Laboratories and the International Standard for Testing and Investigations.

#### **14.7 SAMPLE-TAKING PROCEDURE**

- 14.7.1 Immediately after the Competition or after the determination of the final results, the Athlete selected for a Doping Control shall be handed a Notification Form by a Doping Control Officer or his/her representative (Chaperone) and asked to report as soon as possible to the designated Doping Control Station. The Athlete must bring his/her accreditation card to the Doping Control Station designated on the form.
- 14.7.2 Upon presentation of the Notification Form, the Chaperone shall enter the time of notification and the Athlete shall sign the Notification Form.
- 14.7.3 In Out-of-Competition Testing, the Athlete has to report to the designated Doping Control Station immediately.
- 14.7.4 If the Athlete refuses to sign the Notification Form or should the Athlete fail to report to the Doping Control Station within a reasonable time, the facts shall be noted on the Doping Control Form. The DCO shall decide whether to process a possible failure to comply. However, if the test is possible, it shall still be carried out.
- 14.7.5 From the time of notification for a Doping Control until provision of the Sample, the Athlete shall be escorted to the designated Doping Control Station by a Person authorised by the Organising Committee or FISU in such a way that the Athlete is always within sight and not able to manipulate the Sample to be given.
- 14.7.6 Should the Athlete be required to leave the Doping Control Station, s/he will have to be observed at all times by a Chaperone.
- 14.7.7 Upon arrival at the Doping Control Station, the Athlete and the accompanying Person shall be attended in the waiting room by a member of the Doping Control team. The time of arrival and the personal data of the Athlete shall be noted on the Doping Control Form.
- 14.7.8 The Doping Control Officer shall check the identity of the Athlete by means of the FISU Event accreditation card.
- 14.7.9 The Athlete may be searched for evidence of possible manipulation of the urine Sample while in the Doping Control Station.

- 14.7.10 In addition to the Athlete and the accompanying Persons, only authorised Persons may be present in the Doping Control Station. Usually they will be:
- Doping Control Officer(s);
  - Member(s) of the FISU Medical Committee;
  - Chaperones;
  - Interpreters;
  - WADA independent observers.

No representative of the press, television, radio, etc. may be permitted to be present in the Doping Control Station.

- 14.7.11 The actions for collection of the urine Sample will take the following course:
- a) When the *Athlete* indicates s/he is ready to provide a urine *Sample*, the *Doping Control Officer* shall ensure that the *Athlete* is informed about his/her rights and responsibilities and the *Sample* collection process.
  - b) The *Athlete* shall select a sealed collection container with which s/he is satisfied. If the *Athlete* is not satisfied with a container, s/he shall select another one. If the *Athlete* is not satisfied with any containers and no other containers are available, this should be noted on the Doping Control Form and the *Doping Control Officer* shall instruct the *Athlete* to proceed with the test. However, if the *Doping Control Officer* and Medical Committee member agree with the reasons put forward by the *Athlete* that all available containers do not meet specifications, the *Doping Control Officer* shall terminate the test and this should be noted in the Doping Control Officer Report Form.
  - c) The *Athlete* shall retain control of the collection container and any *Sample* provided until the *Sample* is sealed. A *Doping Control Officer* and/or a *Chaperone* may handle the collection vessel only if authorised to do so by the *Athlete*.
  - d) The *Chaperone* and the *Athlete* shall proceed to the toilet area to collect a *Sample*.
  - e) The *Chaperone* shall directly witness the passing of the *Sample* by the *Athlete*.
  - f) Once the *Athlete* has completed passing the *Sample*, the *Athlete* and *Chaperone* shall immediately return to the *Doping Control Officer* who will oversee the processing and sealing of the *Sample*.
  - g) The *Chaperone* who witnessed the passing of the *Sample* shall sign the Doping Control Form to verify that the *Athlete* passed the *Sample*.
  - h) The *Doping Control Officer* shall ensure that the volume of the urine *Sample* satisfied laboratory requirements for analysis in full view of the *Athletes*.
  - i) Where the volume of urine is insufficient, a partial *Sample* collection procedure shall be conducted.

- j) Where there is Suitable Volume of Urine for Analysis, the *Athlete* shall select a urine kit with which s/he is satisfied and in which the *Sample* will be sealed. If the *Athlete* is not satisfied with the urine kit, s/he shall select another kit until satisfied. If the *Athlete* is not satisfied with any urine kits and no others are available, this should be noted on the Doping Control Form and the *Doping Control Officer* shall instruct the *Athlete* to proceed with the test. However, if the *Doping Control Officer* and Medical Committee member agree with the reasons put forward by *Athlete* that all available urine kits do not meet specifications; the *Doping Control Officer* shall terminate the test and inform the Chair of the Medical Committee.
- k) Once a urine kit has been selected, the *Doping Control Officer* and *Athlete* shall check the kit to determine that it is suitable. If after this inspection, the kit is considered unsuitable, the same procedure shall be followed as in paragraph j) above.
- l) The *Athlete* shall open the kit; pour at least the prescribed minimum volumes of urine into the A and B bottles.
- m) The *Doping Control Officer* shall confirm that the *Sample* satisfied laboratory requirements for analyses by testing the Specific Gravity of the Residual Volume of urine remaining in the collection container.
- n) The *Athlete* shall then seal the bottles as directed by the *Doping Control Officer*.
- o) The *Athlete* and his/her representative will be asked to offer any comments or concerns about the *Doping Control* procedure in writing on the Doping Control Form.
- p) The *Doping Control Officer* shall request the *Athlete* to provide information about all medication and other substances used within the last seven (7) days.
- q) The *Doping Control Officer* shall complete the Doping Control Form.
- r) The *Doping Control Officer*, the *Athlete*, the *Athlete's* representative (if applicable), and any other *Person* where required shall then sign the Doping Control Form to verify the accuracy of the information.
- s) The *Doping Control Officer* shall provide a copy of the Doping Control Form to the *Athlete* as s/he leaves the *Doping Control Station*.
- t) The *Doping Control Officer* shall discard all residual urine.
- u) If a *Chaperone* observes any unusual behaviour by an *Athlete* while witnessing the passing of the *Sample*, the *Chaperone* shall report that fact to the *Doping Control Officer* as soon as possible. The *Doping Control Officer* shall then follow the procedure for investigation and processing possible failures to comply.
- v) If a *Chaperone* is unable to verify the passing of the *Sample* or the *Chaperone* reports observing unusual behaviour by the *Athlete*, the *Doping Control Officer* can require the *Athlete* to provide an additional

*Sample*. If additional *Samples* are collected, all *Samples* collected shall be sent to the laboratory for analysis.

- w) If a *Doping Control Officer* observes an *Athlete* failing to comply with any direction made by the *Doping Control Officer* or *Chaperone* during the *Sample* collection process, the *Doping Control Officer* shall follow the procedure for investigating and processing possible failures to comply.
- x) If the original *Sample* collected does not meet the requirements for Suitable Specific Gravity for Analysis (1.005 or higher with a refractometer or 1.010 or higher with lab stick), the *DCO* is responsible for collecting additional *Samples* until suitable *Sample* is obtained.
- y) If it is determined that none of the *Athlete's Sample* meets the requirements for Suitable Specific Gravity for Analysis and the *DCO* determines that, for logistic reasons, it is impossible to continue with the *Sample* collection session, the *DCO* may end the *Sample* collection session. In such circumstances, if appropriate, the *DCO* may investigate a possible anti-doping regulation.
- z) The *DCO* shall send to the laboratory for analysis all *Samples* which were collected, irrespective of whether or not they meet the requirements for Suitable Specific Gravity for Analysis.

- 14.7.12 The Medical Committee or the Medical Committee member can locally modify this procedure in exceptional circumstances.

## **14.8 RESULTS MANAGEMENT**

### **14.8.1 Responsibility for conducting Results Management**

- 14.8.1.1 FISU shall be responsible for results management and the conduct of hearings for anti-doping rule violations arising under these Anti-Doping Rules in relation to the consequences that are specified at Articles 14.10, 14.11.1 and 14.11.2.1.

- 14.8.1.1.1 FISU shall appoint a Doping Review Panel consisting of a Chair and six other members with experience in anti-doping. When a potential violation is referred to the Doping Review Panel by FISU, the Chair of the Doping Review Panel shall appoint one or more members of the Panel (which may include the Chair) to conduct the review discussed in this Article 14.8. No Person may be a member of the Doping Review Panel dealing with a specific case if s/he (i) has the same nationality as the Athlete or other Person concerned; (ii) has any declared or apparent conflict of interest with such Athlete or other Person, the National Olympic Committee, the National Sports Federation or International Sports Federation of such Athlete or other Person, or with any

Person involved in the case in any way whatsoever; or (iii) in any way whatsoever, does not feel him/herself to be free and independent.

- 14.8.1.2 Responsibility for results management and the conduct of hearings for anti-doping rule violations arising under these Anti-Doping Rules in relation to Consequences that extend beyond FISU's Event(s) (e.g., period of Ineligibility for other Events) shall be referred to the applicable International Sports Federation.

**14.8.2 Review of Adverse Analytical Findings from Tests Initiated by FISU**

Results management in respect of the results of tests initiated by FISU (including any tests performed by WADA pursuant to agreement with FISU shall proceed as follows:

- 14.8.2.1 The results from all analyses must be sent to FISU in encoded form, in a report signed by an authorised representative of the laboratory. All communication must be conducted confidentially and in conformity with ADAMS. If a Prohibited Substance or the Use of a Prohibited Method is identified, the Chair of the Medical Committee or his/her representative shall then, without delay, notify the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA in writing of the Doping Offence and the appeals process. The Chair of the Medical Committee or his/her representative shall also, without delay, inform the FISU President or his representative.
- 14.8.2.2 Upon receipt of an Adverse Analytical Finding, FISU shall conduct a review to determine whether: (a) an applicable TUE has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or (b) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the Adverse Analytical Finding.
- 14.8.2.3 If the review of an Adverse Analytical Finding under Article 14.8.2.2 reveals an applicable TUE or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Adverse Analytical Finding, the entire test shall be considered negative and the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be so informed.
- 14.8.2.4 If the review of an Adverse Analytical Finding under Article 14.8.2.2 does not reveal an applicable TUE or entitlement to a TUE as provided in the International Standard for Therapeutic Use Exemptions, or departure from the International Standard for Testing and Investigations or the International

Standard for Laboratories that caused the Adverse Analytical Finding, FISU shall promptly notify the Athlete, and simultaneously the Athlete's NADO, the Athlete's NUSF, the Athlete's ISF and WADA, in the manner set out in Article 14.14.1, of: (a) the Adverse Analytical Finding; (b) the anti-doping rule violated; (c) the Athlete's right to promptly request the analysis of the B Sample or, failing such request, that the B Sample analysis may be deemed waived; (d) the scheduled date, time and place for the B Sample analysis if the Athlete or FISU chooses to request an analysis of the B Sample; (e) the opportunity for the Athlete and/or the Athlete's representative to attend the B Sample opening and analysis in accordance with the International Standard for Laboratories if such analysis is requested; and (f) the Athlete's right to request copies of the A and B Sample laboratory documentation package which includes information as required by the International Standard for Laboratories.

- 14.8.2.5 Where requested by the Athlete or FISU, arrangements shall be made to analyse the B Sample in accordance with the International Standard for Laboratories. An Athlete may accept the A Sample analytical results by waiving the requirement for B Sample analysis. FISU may nonetheless elect to proceed with the B Sample analysis.
- 14.8.2.6 The Athlete and/or his representative shall be allowed to be present at the analysis of the B Sample. Also, a representative of FISU as well as a representative of the Athlete's NUSF shall be allowed to be present.
- 14.8.2.7 If the B Sample analysis does not confirm the A Sample analysis, then (unless FISU takes the case forward as an anti-doping rule violation under Article 14.2.2) the entire test shall be considered negative and the Athlete, the Athlete's NUSF, NADO, ISF and WADA shall be so informed.
- 14.8.2.8 If the B Sample analysis confirms the A Sample analysis, the findings shall be reported to the Athlete, the Athlete's NUSF, NADO, ISF and to WADA.

### **14.8.3 Review of Atypical Findings**

- 14.8.3.1 As provided in the International Standard for Laboratories, in some circumstances, laboratories are directed to report the presence of Prohibited Substances, which may also be produced endogenously, as Atypical Findings, i.e., as findings that are subject to further investigation.
- 14.8.3.2 Upon receipt of an Atypical Finding, FISU shall conduct a review to determine whether: (a) an applicable TUE has been granted or will be granted as provided in the International Standard for Therapeutic Use Exemptions, or

(b) there is any apparent departure from the International Standard for Testing and Investigations or International Standard for Laboratories that caused the Atypical Finding.

14.8.3.3 If the review of an Atypical Finding under Article 14.8.3.2 reveals an applicable TUE or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Atypical Finding, the entire test shall be considered negative and the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be so informed.

14.8.3.4 If that review does not reveal an applicable TUE or a departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Atypical Finding, FISU shall conduct the required investigation or cause it to be conducted. After the investigation is completed, either the Atypical Finding will be brought forward as an Adverse Analytical Finding in accordance with Article 14.8.2.4, or else the Athlete, the Athlete's NUSF, the Athlete's NADO, the Athlete's ISF and WADA shall be notified that the Atypical Finding will not be brought forward as an Adverse Analytical Finding.

14.8.3.5 FISU will not provide notice of an Atypical Finding until it has completed its investigation and has decided whether it will bring the Atypical Finding forward as an Adverse Analytical Finding unless one of the following circumstances exists:

14.8.3.5.1 If FISU determines the B Sample should be analysed prior to the conclusion of its investigation, it may conduct the B Sample analysis after notifying the Athlete, with such notice to include a description of the Atypical Finding and the information described in Article 14.8.2.4(d) - (f).

14.8.3.5.2 If FISU asked (a) by another Major Event Organisation shortly before one of its Events, or (b) by a sport organisation responsible for meeting an imminent deadline for selecting team members for an International Event or National Event, to disclose whether any Athlete identified on a list provided by the other Major Event Organisation or sport organisation has a pending Atypical Finding, FISU shall so advise the other Major Event Organisation or sports organisation after first providing notice of the Atypical Finding to the Athlete.

#### **14.8.4 Review of Whereabouts Failures**

14.8.4.1 FISU shall refer potential filing failures and missed tests (as defined in the International Standard for Testing and Investigations) to whichever of the Athlete's International Sports Federation and National Anti-Doping Organisation receives that Athlete's whereabouts filings and so has responsibility for results management of whereabouts failures by that Athlete.

14.8.4.2 Where an Athlete who is not in a Registered Testing Pool is required to submit whereabouts information to FISU in accordance with Article 14.5.5.2, but fails to do so, FISU will treat this as a test refusal and will impose consequences as described in Article 14.8.4.1 of these Anti-Doping Rules.

**14.8.5 Review of Other Anti-Doping Rule Violations Not Covered by Articles 14.8.2 - 14.8.4**

FISU shall conduct any follow-up investigation required into a possible anti-doping rule violation not covered by Articles 14.8.2 to 14.8.4. At such time as FISU is satisfied that an anti-doping rule violation has occurred, it shall promptly give the *Athlete* or other *Person* (and simultaneously the *Athlete's* or other *Person's NUSF and NADO*, the *Athlete's ISF and WADA*) notice of the anti-doping rule violation asserted, and the basis of that assertion.

**14.8.6 Provisional Suspensions**

14.8.6.1 Mandatory Provisional Suspension: if analysis of an A Sample has resulted in an Adverse Analytical Finding for a Prohibited Substance that is not a Specified Substance, or for a Prohibited Method, and a review in accordance with Article 14.8.2.2 does not reveal an applicable TUE or departure from the International Standard for Testing and Investigations or the International Standard for Laboratories that caused the Adverse Analytical Finding, a Provisional Suspension shall be imposed upon or promptly after the notification described in Article 14.8.2.4.

14.8.6.2 Optional Provisional Suspension: in case of an Adverse Analytical Finding for a Specified Substance, or in the case of any other anti-doping rule violations not covered by Article 14.8.6.1, FISU may impose a Provisional Suspension on the Athlete or other Person against whom the anti-doping rule violation is asserted at any time after the review and notification described in Articles 14.8.2-14.8.5 and prior to the final hearing as described in Article 14.9.

14.8.6.3 Where a Provisional Suspension is imposed, whether pursuant to Article 14.8.6.1 or Article 14.8.6.2, unless the Athlete or other Person shall be given

either: (a) an opportunity for a Provisional Hearing either before or on a timely basis after imposition of the Provisional Suspension; or (b) an opportunity for an expedited final hearing in accordance with Article 14.9 on a timely basis after imposition of the Provisional Suspension. Furthermore, the Athlete or other Person has a right to appeal from the Provisional Suspension in accordance with Article 14.13.2 (save as set out in Article 14.8.6.3.1).

14.8.6.3.1 The Provisional Suspension may be lifted if the Athlete demonstrates to the hearing panel that the violation is likely to have involved a Contaminated Product. A hearing panel's decision not to lift a mandatory Provisional Suspension on account of the Athlete's assertion regarding a Contaminated Product shall not be appealable.

14.8.6.4 If a Provisional Suspension is imposed based on an A Sample Adverse Analytical Finding and subsequent analysis of the B Sample does not confirm the A Sample analysis, then the Athlete shall not be subject to any further Provisional Suspension on account of a violation of Article 14.2.1. In circumstances where the Athlete (or the Athlete's team has been removed from a Competition based on a violation of Article 14.2.1 and the subsequent B Sample analysis does not confirm the A Sample finding, then if it is still possible for the Athlete or team to be reinserted without otherwise affecting the Competition, the Athlete or team may continue to take part in the Competition. In addition, the Athlete or team may thereafter take part in other Competitions in the same Event.

14.8.6.5 In all cases where an Athlete or other Person has been notified of an anti-doping rule violation but a Provisional Suspension has not been imposed on him or her, the Athlete or other Person shall be offered the opportunity to accept a Provisional Suspension voluntarily pending the resolution of the matter.

#### **14.8.7 Resolution without a Hearing**

14.8.7.1 An Athlete or other Person against whom an anti-doping rule violation is asserted may admit that violation at any time, waive a hearing, and accept the Consequences that are mandated by these Anti-Doping Rules or (where some discretion as to Consequences exists under these Anti-Doping Rules) that have been offered by FISU.

14.8.7.2 Alternatively, if the Athlete or other Person against whom an anti-doping rule violation is asserted fails to dispute that assertion within the deadline

specified in the notice sent by FISU asserting the violation, then he/she shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the Consequences that are mandated by these Anti-Doping Rules or (where some discretion as to Consequences under these Anti-Doping Rules) that have been offered by FISU.

- 14.8.7.3 In cases where Article 14.8.7.1 or Article 14.8.7.2 applies, a hearing before a hearing panel shall not be required. Instead FISU shall promptly issue a written decision confirming the commission of the anti-doping rule violation and the Consequences imposed as a result. FISU shall send copies of that decision to other Anti-Doping Organisations with a right to appeal under Article 14.13.2.2, and shall Publicly Disclose that decision in accordance with Article 14.14.3.2.

#### **14.8.8 Notification of Results Management Decisions**

In all cases where FISU has asserted the commission of an anti-doping rule violation, withdrawn the assertion of an anti-doping rule violation, imposed a *Provisional Suspension*, or agreed with an *Athlete* or other *Person* on the imposition of *Consequences* without a hearing, FISU shall give notice thereof in accordance with Article 14.14.2.1 to other *Anti-Doping Organisations* with a right to appeal under Article 14.13.2.2.

#### **14.8.9 Retirement from Sport**

If an *Athlete* or other *Person* retires while FISU is conducting the results management process, FISU retains jurisdiction to complete its results management process. If an *Athlete* or other *Person* retires before any results management process has begun, and FISU would have had results management authority over the *Athlete* or other *Person* at the time the *Athlete* or other *Person* committed an anti-doping rule violation, FISU has authority to conduct results management in respect of that anti-doping rule violation.

### **14.9 RIGHT TO A FAIR HEARING**

#### **14.9.1 Setting up a Disciplinary Commission**

The FISU Executive Committee will appoint a Disciplinary Commission composed of three (3) experts.

#### **14.9.2 Hearings following FISU's result management**

- 14.9.2.1 When FISU sends a notice to an *Athlete* or other *Person* asserting an anti-doping rule violation, and the *Athlete* or other *Person* does not waive a

hearing in accordance with Article 14.8.7.1 or Article 14.8.7.2, then the case shall be referred to the Disciplinary Commission for hearing and adjudication.

- 14.9.2.2 Hearings shall be conducted and completed within a reasonable time. Hearings held in connection with Events that are subject to these Anti-Doping Rules may be conducted by an expedited process where permitted by the Disciplinary Commission.
- 14.9.2.3 The Disciplinary Commission shall determine the procedure to be followed at the hearing.
- 14.9.2.4 WADA, the NADO, NUSF and the ISF of the Athlete or other Person may attend the hearing as observers. In any event, FISU shall keep them fully apprised as to the status of pending cases and the result of all hearings.
- 14.9.2.5 The Athlete or other Person involved has the right to be represented by counsel at their own expense.
- 14.9.2.6 The Disciplinary Commission shall act in a fair and impartial manner towards all parties at all times.
- 14.9.2.7 The Disciplinary Commission shall issue a timely reasoned decision. That decision shall be Publicly Disclosed as provided in Article 14.14.3 and may be appealed as provided in Article 14.13. The principles contained at Article 14.14.3.6 shall be applied in cases involving a Minor.

#### **14.10 AUTOMATIC DISQUALIFICATION OF INDIVIDUAL RESULTS**

An anti-doping rule violation in *Individual Sports* in connection with an *In-Competition* test automatically leads to *Disqualification* of the result obtained in that *Competition* with all resulting *Consequences*, including forfeiture of any medals, points and prizes.

For *Team Sports*, any awards received by individual players will be *Disqualified*. However, *Disqualification* of the team will be as provided in Article 14.12. In sports which are not *Team Sports* but where awards are given to teams, *Disqualification* or other disciplinary action against the team when one or more team members have committed an anti-doping rule violation shall be as provided in the applicable rules of the *ISF*.

#### **14.11 SANCTION ON INDIVIDUALS**

- 14.11.1 Disqualification of results in the Event during which an anti-doping rule violation occurs**

An anti-doping rule violation occurring during or in connection with an *Event* may, upon the decision of the Disciplinary Commission, lead to *Disqualification* of all of the *Athlete's* individual results obtained in that *Event* with all *Consequences*, including forfeiture of all medals, points and prizes, except as provided in Article 14.11.1.1.

Factors to be included in considering whether to Disqualify other results in an Event might include, for example, the seriousness of the *Athlete's* anti-doping rule violation and whether the *Athlete* tested negative in the other *Competitions*.

- 14.11.1.1 If the Athlete establishes that s/he bears No Fault or Negligence for the violation, the Athlete's individual results in the other Competition shall not be Disqualified unless the Athlete's results in Competitions other than the Competition in which the anti-doping rule violation occurred were likely to have been affected by the Athlete's anti-doping rule violation.

#### **14.11.2 Ineligibility**

- 14.11.2.1 Should an Athlete or other Person be found to have committed an anti-doping rule violation before s/he has actually participated in a Competition at the Event or, in the case where an Athlete or other Person has already participated in a Competition at the Event but is scheduled to participate in additional Competitions at the Event, the hearing panel may declare the Athlete or other Person ineligible for such Competitions at the Event in which s/he has not yet participated, along with other Consequences which may follow, such as exclusion of the Athlete and other Persons concerned from the Event and the loss of accreditation.
- 14.11.2.2 In accordance with Article 14.8.1.2, responsibility for results management in terms of sanctions beyond the Event shall be referred to the applicable International Sports Federation. In this context, the Consequences for anti-doping rule violations as mentioned and specified under the following Articles of the Code shall apply:

Article 14.11.2 Ineligibility for Presence, Use or Attempted Use or Possession of a Prohibited Substance or Prohibited Method

Article 14.11.3 Ineligibility for Other Anti-Doping Rule Violations

Article 14.11.4 Elimination of the Period of Ineligibility where there is No Fault or Negligence

Article 14.11.5 Reduction of the Period of Ineligibility based on No Significant Fault or Negligence

Article 14.11.6 Elimination, Reduction, or Suspension of Period of Ineligibility or other Consequences for Reasons Other than Fault

Article 14.11.7 Multiple Violations

Article 14.11.11 Commencement of Ineligibility Period

Article 14.11.12 Status during Ineligibility

**14.11.3 Disqualification of results in *Competitions* subsequent to *Sample* Collection or Commission of an Anti-Doping Rule Violation**

In addition to the automatic *Disqualification* of the results in the *Competition* which produced the positive *Sample* under Article 14.10, all other competitive results of the *Athlete* obtained from the date a positive *Sample* was collected (whether *In-Competition* or *Out-of-Competition*), or other anti-doping rule violation occurred, through the commencement of any *Provisional Suspension* or Ineligibility period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting *Consequences* including forfeiture of any medals, points and prizes.

**14.11.4 Allocation of CAS cost awards and forfeited prize money**

The priority for repayment of CAS cost awards and forfeited prize money shall be: first, payment of costs awarded by CAS; second, reallocation of forfeited prize money to other *Athletes* if provided for in the rules of the applicable *ISF*; and third, reimbursement of the expenses of FISU.

**14.11.5 Automatic Publication of Sanction**

A mandatory part of each sanction shall include automatic publication, as provided in Article 13.3 of the *Code*.

**14.12 CONSEQUENCES TO TEAMS**

**14.12.1 Testing of *Team Sports***

Where more than one member of a team in a *Team Sport* has been notified of an anti-doping rule violation under Article 14.8 in connection with an *Event*, FISU shall conduct appropriate *Target Testing* of the team during the *Event Period*.

**14.12.2 Consequences for Team Sports**

If more than two members of a team in a *Team Sport* are found to have committed an anti-doping rule violation during an *Event Period*, the FISU hearing panel shall impose an appropriate sanction on the team (e.g., loss of points, Disqualification from a Competition or Event, or other sanction) in addition to any *Consequences* imposed upon the individual *Athletes* committing the anti-doping rule violation.

**14.13 APPEALS**

**14.13.1 Decisions subject to appeal**

Decisions made under these Anti-Doping Rules may be appealed as set forth below in Article 14.13.2 through 14.13.6 or as otherwise provided in these Anti-Doping Rules, the *Code* or the *International Standards*. Such decisions shall remain in effect while under appeal unless the appellate body orders otherwise.

**14.13.1.1 Scope of Review Not Limited**

The scope of review on appeal includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker.

**14.13.1.2 CAS shall not defer to the findings being appealed**

In making its decision, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.

**14.13.1.3 WADA not required to exhaust internal remedies**

Where WADA has a right to appeal under Article 14.13 and no other party has appealed a final decision within the FISU's process, WADA may appeal such decision directly to CAS without having to exhaust other remedies in the FISU's process.

**14.13.2 Appeals from decisions regarding anti-doping rule violations, consequences, and Provisional Suspensions**

A decision that an anti-doping rule violation was committed, a decision imposing *Consequences*, or not imposing *Consequences* for an anti-doping rule violation, or a decision that no anti-doping rule violation was committed; a decision that an anti-doping rule violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by WADA not to grant an exception to the six months' notice requirement for a retired *Athlete* to return to *Competition* under Article 14.5.6.1; a decision by WADA

assigning results management under Article 7.1 of the *Code*; a decision by FISU not to bring forward an *Adverse Analytical Finding* or an *Atypical Finding* as an anti-doping rule violation, or a decision not to go forward with an anti-doping rule violation after an investigation under Article 14.8.5; a decision to impose a *Provisional Suspension* as a result of a *Provisional Hearing*; FISU's failure to comply with Article 14.8.6; a decision that FISU lacks jurisdiction to rule on an alleged anti-doping rule violation or its *Consequences*; and a decision by FISU not to recognise another *Anti-Doping Organisation's* decision under Article 14.15 may be appealed exclusively as provided in this Article 14.13.

14.13.2.1 In cases arising from the *Event*, the decision may be appealed exclusively to CAS.

14.13.2.2 *Persons Entitled to Appeal*

The following parties shall have the right to appeal to CAS: (a) the *Athlete* or other *Person* who is the subject of the decision being appealed; (b) FISU (c) the relevant *International Sports Federation*; (d) the *National Anti-Doping Organisation* or the *NUSF* of the *Person's* country of residence or countries where the *Person* is a national or license holder; (e) the International Olympic Committee or International Paralympic Committee, as applicable, where the decision may have an effect in relation to the Olympic Games or Paralympic Games, including decisions affecting eligibility for the Olympic Games or Paralympic Games; and (f) *WADA*.

Notwithstanding any other provision herein, the only *Person* who may appeal from a *Provisional Suspension* is the *Athlete* or other *Person* upon whom the *Provisional Suspension* is imposed.

14.13.2.3 Cross appeals and other subsequent appeals allowed

Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the *Code* are specifically permitted. Any party with a right to appeal under this Article 14.13 must file a cross appeal or subsequent appeal at the latest with the party's answer.

**14.13.3 Failure to render a timely decision**

Where, in a particular case, FISU or the Disciplinary Commission fails to render a decision with respect to whether an anti-doping rule violation was committed within a reasonable deadline set by *WADA*, *WADA* may elect to appeal directly to CAS as if FISU or the hearing panel had rendered a decision finding no anti-doping rule violation. If the CAS panel determines that an anti-doping rule violation was committed and that *WADA* acted reasonably in electing to appeal directly to CAS, then *WADA's* costs and attorney fees in prosecuting the appeal shall be reimbursed to *WADA* by FISU.

Given the different circumstances of each anti-doping rule violation investigation and results management process, it is not feasible to establish a fixed time period for FISU to render a decision before WADA may intervene by appealing directly to CAS. Before taking such action, however, WADA will consult with FISU and give FISU an opportunity to explain why it has not yet rendered a decision.

**14.13.4 Appeals from decisions relating to TUEs**

TUE decisions may be appealed exclusively as provided in Article 14.4.3.

**14.13.5 Notification of appeal decisions**

Any *Anti-Doping Organisation* that is a party to an appeal shall promptly provide the appeal decision to the *Athlete* or other *Person* and to the other *Anti-Doping Organisations* that would have been entitled to appeal under Article 14.13.2.2 as provided under Article 14.14.2.

**14.13.6 Time for Filing Appeals**

The time to file an appeal to CAS shall be twenty-one (21) days from the date of receipt of the decision by the appealing party. The above notwithstanding, the following shall apply in connection with appeals filed by a party entitled to appeal but which was not a party to the proceedings that led to the decision being appealed:

- a) Within fifteen (15) days from notice of the decision, such party/ies shall have the right to request a copy of the case file from the body that issued the decision.
- b) If such a request is made within the fifteen-day period, then the party making such request shall have twenty-one (21) days from receipt of the file to file an appeal to CAS.

The above notwithstanding, the filing deadline for an appeal filed by WADA shall be the later of:

- a) Twenty-one (21) days after the last day on which any other party in the case could have appealed; or
- b) Twenty-one (21) days after WADA's receipt of the complete file relating to the decision.

#### **14.14 CONFIDENTIALITY AND REPORTING**

##### **14.14.1 Information concerning *Adverse Analytical Findings, Atypical Findings*, and other asserted Anti-Doping Rule Violations**

###### **14.14.1.1 Notice of Anti-Doping Rule Violations to *Athletes* and other *Persons***

Notice to *Athletes* or other *Persons* of anti-doping rule violations asserted against them shall occur as provided under Articles 14.8 and 14.14 of these Anti-Doping Rules. Notice to an *Athlete* or other *Person* who is a member of a *National Sports Federation* may be accomplished by delivery of the notice to the *National Sports Federation*.

###### **14.14.1.2 Notice of Anti-Doping Rule Violations to the National University Sports Federation, the National Anti-Doping Organisations, the International Sports Federations and WADA**

Notice of the assertion of an anti-doping rule violation to the *NUSF, National Anti-Doping Organisations, International Sports Federations* and *WADA* shall occur as provided under Articles 14.8 and 14.14 of these Anti-Doping Rules, simultaneously with the notice to the *Athlete* or other *Person*.

###### **14.14.1.3 Content of an Anti-Doping Rule Violation Notice**

Notification of an anti-doping rule violation under Article 14.2.1 shall include: the *Athlete's* name, country, sport and discipline within the sport, the *Athlete's* competitive level, whether the test was *In-Competition* or *Out-of-Competition*, the date of *Sample* collection, the analytical result reported by the laboratory, and other information as required by the International Standard for Testing and Investigations.

Notice of anti-doping rule violations other than under Article 14.2.1 shall include the rule violated and the basis of the asserted violation.

###### **14.14.1.4 Status Reports**

Except with respect to investigations which have not resulted in notice of an anti-doping rule violation pursuant to Article 14.14.1.1, *National University Sports Federations, National Anti-Doping Organisations, International Sports Federations* and *WADA* shall be regularly updated on the status and findings of any review or proceedings conducted pursuant to Article 14.8, 14.9 or 14.13 and shall be provided with a prompt written reasoned explanation or decision explaining the resolution of the matter.

###### **14.14.1.5 Confidentiality**

The recipient organisations shall not disclose this information beyond those Persons with a need to know (which would include the appropriate personnel at the applicable National Olympic Committee, *National Sports Federation*, and team in a *Team Sport*) until FISU has made *Public Disclosure* or has failed to make *Public Disclosure* as required in Article 14.14.3.

**14.14.2 Notice of Anti-Doping Rule Violation decisions and request for files**

- 14.14.2.1 Anti-doping rule violation decisions rendered pursuant to Article 7.8, 8.2.4, 10.4 of the Code, 10.5 of the Code, 10.6 of the Code, 10.12.3 of the Code or 12.5 shall include the full reasons for the decision, including, if applicable, a justification for why the greatest possible Consequences were not imposed. Where the decision is not in English or French, FISU shall provide a short English or French summary of the decision and the supporting reasons.
- 14.14.2.2 An Anti-Doping Organisation having a right to appeal a decision received pursuant to Article 14.14.2.1 may, within fifteen days of receipt, request a copy of the full case file pertaining to the decision.

**14.14.3 Public Disclosure**

- 14.14.3.1 The identity of any Athlete or other Person who is asserted by FISU to have committed an anti-doping rule violation, may be Publicly Disclosed by FISU only after notice has been provided to the Athlete or other Person in accordance with Article 14.8 and simultaneously to WADA and the National Anti-Doping Organisation, the National University Sports Federation and International Sports Federation of the Athlete or other Person in accordance with Article 14.14.1.2.
- 14.14.3.2 No later than twenty (20) days after it has been determined in a final appellate decision under Article 14.13.2.1, or such appeal has been waived, or a hearing in accordance with Article 14.9 has been waived, or the assertion of an anti-doping rule violation has not been timely challenged, FISU must Publicly Report the disposition of the matter, including the sport, the anti-doping rule violated, the name of the Athlete or other Person committing the violation, the Prohibited Substance or Prohibited Method involved (if any) and the Consequences imposed. FISU must also Publicly Report within twenty (20) days the results of final appeal decisions concerning anti-doping rule violations, including the information described above.
- 14.14.3.3 In any case where it is determined, after a hearing or appeal, that the Athlete or other Person did not commit an anti-doping rule violation, the decision may be Publicly Disclosed only with the consent of the Athlete or other

Person who is the subject of the decision. FISU shall use reasonable efforts to obtain such consent. If consent is obtained, FISU shall Publicly Disclose the decision in its entirety or in such redacted form as the Athlete or other Person may approve.

14.14.3.4 Publication shall be accomplished at a minimum by placing the required information on FISU's website or publishing it through other means and leaving the information up for the longer of one month or the duration of any period of Ineligibility.

14.14.3.5 Neither FISU, nor any of its officials, shall publicly comment on the specific facts of any pending case (as opposed to general description of process and science) except in response to public comments attributed to the Athlete or other Person against whom an anti-doping rule violation is asserted, or their representatives.

14.14.3.6 The mandatory Public Reporting required in Article 14.14.3.2 shall not be required where the Athlete or other Person who has been found to have committed an anti-doping rule violation is a Minor. Any optional Public Reporting in a case involving a Minor shall be proportionate to the facts and circumstances of the case.

#### **14.14.4 Statistical Reporting**

FISU shall after each *Event* under its jurisdiction, publish a general statistical report of its *Doping Control* activities, with a copy provided to WADA. FISU may also publish reports showing the name of each *Athlete* tested and the date of each *Testing*.

#### **14.14.5 Doping Control Information Clearinghouse**

To facilitate coordinated test distribution planning and to avoid unnecessary duplication in *Testing* by the various Anti-Doping Organisations, FISU shall report all *In-Competition* and *Out-of-Competition* tests on such *Athletes* to the WADA clearinghouse as soon as possible after such tests have been conducted. This information will be made accessible, where appropriate and in accordance with the applicable rules, to the *Athlete*, the *Athlete's National Anti-Doping Organisation* or *International Sports Federation*, and any other *Anti-Doping Organisations* with *Testing* authority over the *Athlete*.

#### **14.14.6 Data Privacy**

- 14.14.6.1 FISU may collect, store, process or disclose personal information relating to Athletes and other Persons where necessary and appropriate to conduct their anti-doping activities under the Code, the International Standards (including specifically the International Standard for the Protection of Privacy and Personal Information) and these Anti-Doping Rules.
- 14.14.6.2 Any Participant who submits information including personal data to any Person in accordance with these Anti-Doping Rules shall be deemed to have agreed, pursuant to applicable data protection laws and otherwise, that such information may be collected, processed, disclosed and used by such Person for the purposes of the implementation of these Anti-Doping Rules, in accordance with the International Standard for the Protection of Privacy and Personal Information and otherwise as required to implement these Anti-Doping Rules.

#### **14.15 APPLICATION AND RECOGNITION OF DECISIONS**

- 14.15.1 Subject to the right to appeal provided in Article 12 of the Code, Testing, hearing results or other final adjudications of any *Signatory* which are consistent with the *Code* and are within the *Signatory's* authority, shall be applicable worldwide and shall be recognised and respected by FISU.
- 14.15.2 FISU may recognise the measures taken by other bodies which have not accepted the *Code* if the rules of those bodies are otherwise consistent with the *Code*.

Where the decision of a body that has not accepted the *Code* is in some respects *Code* compliant and in other respects not *Code* compliant, FISU should attempt to apply the decision in harmony with the principles of the *Code*. For example, if in a process consistent with the *Code* a non-*Signatory* has found an *Athlete* to have committed an anti-doping rule violation on account of the presence of a *Prohibited Substance* in his body but the period of *Ineligibility* applied is shorter than the period provided for in the *Code*, then FISU should recognise the finding of an anti-doping rule violation and they should conduct a hearing consistent with Article 14.9 to determine whether the longer period of *Ineligibility* provided in the *Code* should be imposed.

#### **14.16 STATUTES OF LIMITATIONS**

No anti-doping rule violation proceeding may be commenced against an *Athlete* or other *Person* unless he or she has been notified of the anti-doping rule violation as provided in Article 14.8, or notification has been reasonably attempted, within ten years from the date the violation is asserted to have occurred.

#### **14.17 FISU COMPLIANCE REPORTS TO WADA**

FISU will report to WADA on FISU's compliance with the *Code* in accordance with Article 23.5.2 of the *Code*.

#### **14.18 EDUCATION**

FISU shall plan, implement, evaluate and monitor information, education and prevention programs for doping-free sport on at least the issues listed at Article 18.2 of the *Code*, and shall support active participation by *Athletes* and *Athlete Support Personnel* in such programmes.

#### **14.19 AMENDMENT AND INTERPRETATION OF ANTI-DOPING RULES**

- 14.19.1 These Anti-Doping Rules may be amended by the FISU Executive Committee when necessary.
- 14.19.2 These Anti-Doping Rules shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes.
- 14.19.3 The headings used for the various parts and Articles of these Anti-Doping Rules are for convenience only and shall not be deemed part of the substance of these Anti-Doping Rules or to affect in any way the language of the provisions to which they refer.
- 14.19.4 The Code and the International Standards shall be considered an integral part of these Anti-Doping Rules and shall prevail in case of conflict.
- 14.19.5 These Anti-Doping Rules have been adopted pursuant to the applicable provisions of the Code and shall be interpreted in a manner that is consistent with applicable provisions of the Code. The generalities shall be considered as part of these Anti- Anti-Doping Rules.
- 14.19.6 The comments annotating various provisions of the Code are incorporated by reference into these Anti-Doping Rules, shall be treated as if set out in full herein, and shall be used to interpret these Anti-Doping Rules.

#### **14.20 INTERPRETATION OF THE CODE**

- 14.20.1 The official text of the Code shall be maintained by WADA and shall be published in English and French. In the event of any conflict between the English and French versions, the English version shall prevail.
- 14.20.2 The comments annotating various provisions of the Code shall be used to interpret the Code.

- 14.20.3 The Code shall be interpreted as an independent and autonomous text and not by reference to the existing law or statutes of the Signatories or governments.
- 14.20.4 The headings used for the various Parts and Articles of the Code are for convenience only and shall not be deemed part of the substance of the Code or to affect in any way the language of the provisions to which they refer.
- 14.20.5 The Code shall not apply retroactively to matters pending before the date the Code is accepted by a Signatory and implemented in its rules. However, pre-Code anti-doping rule violations would continue to count as "First violations" or "Second violations" for purposes of determining sanctions under Article 10 for subsequent post-Code violations.
- 14.20.6 The Purpose, Scope and Organisation of the World Anti-Doping Programme and the Code and Appendix 1, Definitions, and Appendix 2, Examples of the Application of Article 10, shall be considered integral parts of the Code.

#### **14.21 ADDITIONAL ROLES AND RESPONSIBILITIES OF ATHLETES AND OTHER PERSONS**

##### **14.21.1 Roles and Responsibilities of Athletes**

- 14.21.1.1 To be knowledgeable of and comply with these Anti-Doping Rules.
- 14.21.1.2 To be available for Sample collection at all times.
- 14.21.1.3 To take responsibility, in the context of anti-doping, for what they ingest and Use.
- 14.21.1.4 To inform medical personnel of their obligation not to Use Prohibited Substances and Prohibited Methods and to take responsibility to make sure that any medical treatment received does not violate these Anti-Doping Rules.
- 14.21.1.5 To disclose to FISU any decision by a non-Signatory finding that the Athlete committed an anti-doping rule violation within the previous ten years.
- 14.21.1.6 To cooperate with Anti-Doping Organisations investigating anti-doping rule violations.
- 14.21.1.7 Failure by any Athlete to cooperate in full with Anti-Doping Organisations investigating anti-doping rule violations may result in a charge of misconduct under FISU's disciplinary rules.

**14.21.2 Roles and Responsibilities of Athlete Support Personnel**

- 14.21.2.1 To be knowledgeable of and comply with these Anti-Doping Rules.
- 14.21.2.2 To cooperate with the Athlete Testing program.
- 14.21.2.3 To use his or her influence on Athlete values and behaviour to foster anti-doping attitudes.
- 14.21.2.4 To disclose to FISU any decision by a non-Signatory finding that he or she committed an anti-doping rule violation within the previous ten years.
- 14.21.2.5 To cooperate with Anti-Doping Organisations investigating anti-doping rule violations.
- 14.21.2.6 Failure by any Athlete Support Personnel to cooperate in full with Anti-Doping Organisations investigating anti-doping rule violations may result in a charge of misconduct.
- 14.21.2.7 Athlete Support Personnel shall not Use or Possess any Prohibited Substance or Prohibited Method without valid justification.

#### **IV. REGULATION OF THE FISU CONFERENCE FOR THE STUDY OF UNIVERSITY SPORT**

1. The candidature for organising a FISU Conference (Conference for the Study of University Sport) should be presented to the FISU General Secretariat in writing at the latest twenty-four (24) months before the proposed date. After studying the candidature, the EduC Chairperson, will submit it to the FISU Executive Committee.
2. A FISU Conference should include at least three (3) full working days with extra time for other activities, such as coaching clinics, etc.
3. The main conference titles and the programme will be submitted to the FISU Executive Committee for agreement.
4. Invitations must be sent out at the latest twelve (12) months before the beginning of the conference. The Organising Committee will inform the international press on this conference in collaboration with the FISU Media and Communication Committee.
5. The abstracts of the lectures must reach the organisers of the conference at the latest nine (9) months before the conference. The papers will be selected by the Organising Committee in agreement with the EduC.
6. The programme must be sent out to the keynote speakers two (2) months before the conference. The complete text of the papers must be submitted by the lecturers to the conference organisers in French or English, one (1) month before the conference.
7. Registration from countries must be entered nine (9) months before the conference. Nominative entries must be entered two (2) months before.
8. The Organising Committee will finalise the programme, in agreement with EduC, at the latest three (3) months before the conference.  
  
All FISU members and participants will receive the final programme two (2) months before the conference.
9. The Organising Committee will provide:
  - one large conference room for plenary sessions (300-500 persons)
  - seminar rooms for small working groups (40-100 persons)
  - rooms or areas for exhibiting educational materials
  - simultaneous translation in English, French, Russian and Spanish (language of the host country is also possible) for the plenary sessions; English and French as well as the language of the host country for the working groups

The cost of accommodation will be decided by the FISU Executive Committee and the Organising Committee.

The accommodation of EduC members are stipulated under Article 4.4.2 (Part A, Section B) of the General Regulations of FISU.

The preliminary inspection will be decided according to Art. 3.1.4 (Part A, Section B).

The Education Committee will collaborate with the Organising Committee in order to decide on the necessary equipment.

The conference proceedings will be submitted to the FISU EduC for publication six (6) months after the conference.

The proceedings should be printed in French, English and in the language of the host country. The Organising Committee will send a printed report to all the FISU members, the participants, the FISU Executive Committee, the FISU Committee members and the FISU General Secretariat.

FISU and the OC will sign a specific agreement covering all logistical aspects of the Conference (selection of keynote speakers, cost of stay, transportation, documents to be issued...). In the case of any change in the information please consider the agreement as the point of reference.

# 1. WELCOME MESSAGES

## 1. WELCOME MESSAGES

### 1.1 FISU President

Dear friends,

On behalf of the International University Sports Federation (FISU), I am honoured to extend a warm welcome to the representatives of all nations coming to Taipei City in August 2017 for the 29th edition of the Summer Universiade.

This will be the largest international sporting event Chinese Taipei has ever hosted and promises to be an experience that will live long in the hearts of everyone involved. Taipei City is a city of youth, vitality, health, passion and friendliness. Furthermore, Chinese Taipei has dreamed about hosting a Universiade for well over a decade. Its time has now arrived and I am certain that this Universiade will not only inspire those of us lucky enough to be directly involved but also capture the imagination of the city's wider population, young and old, male and female, and elevate the city's sporting culture to an even higher level.

More than 7,000 student athletes across 22 sports will come together from across the globe to enjoy an atmosphere of fair play and friendship, as they pursue excellence in mind, body and lifestyle. FISU's vision is to create a world where every leader in society has been positively influenced by their experience of University sport. The Universiade is our greatest asset in reaching out to the students of the world, engaging them in sport and thereby helping them to become tomorrow's leaders.

And perhaps tomorrow's leaders are among those who will be competing, officiating, working, volunteering or supporting at this Summer Universiade.

It is important you all get the most from your experience here in Taipei City and this Technical Handbook is designed to help you achieve this.

The Guide is the collaborative work of the Taipei City 2017 Organising Committee and FISU's teams in Brussels and Lausanne, so thank you to everyone involved in its production and for your continued and excellent work in preparing for Taipei City 2017.

I would also like to thank all our partners and stakeholders for their enthusiastic and dedicated support of the event.

On behalf of the FISU family, I wish you the very best for a successful Summer Universiade. I look forward to your arrival in August 2017 and to celebrating the atmosphere of an international multi-sport event hosted in the University spirit.

Kindest regards

Oleg Matytsin  
FISU President

## 1.2 Organizing Committee Chairperson

Dear participants of the Taipei 2017 Summer Universiade:

On behalf of the Taipei 2017 Summer Universiade Organizing Committee, I would like to extend our warmest welcome to all the athletes and delegates. Welcome to Taipei!

The Taipei 2017 Summer Universiade will be a showcase of youthful vitality and a celebration of sport that will make the dreams of youth come true. With guidance and assistance from the International University Sports Federation (FISU) we have completed thousands of preparatory tasks over the past six years. We have prepared a stage for you-athletes from all over the world-to show us your best. Taipei offers friendship, passion and vitality to the world in order to host a competition that will live on in the memory of all participants.

Taipei is a window onto Taiwanese culture. Chinese Taipei is an island in the heart of Asia. Being surrounded by the sea has given us the courage to face challenges and fostered a spirit of adventure. Through history, Chinese Taipei has been a melting pot for indigenous, Chinese, Japanese and many other cultures, giving rise to the rich and unique culture of today. In the summer of 2017, our world-class sporting arenas, staff, volunteers, and spectators will all participants with warm and open hearts.

Taipei has much to offer: world-famous Taiwanese cuisine, important historical sites, the safest tourist environment in the world, a convenient transport network, friendly and hospitable people, modern and fashionable shopping centres, and unique culture and scenery.

The Organizing Committee has prepared comfortable accommodation for participants. As the most important city in the international information industry, Taipei has one of the earliest and best citywide WiFi networks in the

world. The Athletes' Village and competition venues for overseas athletes provide excellent wireless coverage to enable you to stay in touch with people back home. In addition, we have also arranged interesting tours and cultural events so that you may explore Taipei culture, food and history, and experience our uniquely passionate, cultural and technological city.

Since I became Chairperson of the Taipei 2017 Summer Universiade, my team and I have worked hard to turn everyone's dreams into reality. Taipei is now ready to welcome the world with open arms. I would like to thank FISU and all our competitors for your support. We couldn't have done this without you. And to all the young athletes here today: I hope you set a new personal best here in Taipei. Enjoy the Taipei 2017 Summer Universiade and make memories you can cherish for the rest of your life!

Wen-Je Ko

## 4. GENERAL INFORMATION

## 4. GENERAL INFORMATION

### 4.1 Chinese Taipei

#### 4.1.1 Geographical overview

Chinese Taipei is located at the southeast of the Asian continent, between East and Southeast Asia island arcs on the west coast of the Pacific Ocean. The north is close to Japan and Ryukyu Islands, and the south connects to Philippines.

It is an important hub to travel back and forth everywhere in Asia. The land area is about 36,188 square kilometers and the length from north to south is about 395 kilometers. It is a long and narrow island in the north and south.

Chinese Taipei is located between Eurasia plate and Philippine Sea plate, so the complex and various landscapes in Chinese Taipei are formed, having mountains, hills, plains, basins, islands, ranges, coasts, and other landscapes.

#### 4.1.2 Climate

Chinese Taipei is located in a subtropical area, and it is warm the whole year. The four seasons here are all like spring because the average temperature is 22 degrees. Because the summer is influenced by southwest monsoon and the winter is influenced by northeast monsoon, the plum rain season is in May and June, and the typhoons happen from July to September, abundant rain is brought to Chinese Taipei and the average rainfall per year is 2,515 cm.

#### 4.1.3 Population, Ethnic group, and language

Population: about 23.54 million people (April 2017)

Ethnic group: The groups in Chinese Taipei are mainly Taiwanese, Hakka people, Taiwanese aborigines, and mainlanders.

Language: The official language in Chinese Taipei is Mandarin, and there are also Taiwanese, Hakka, and Austronesian language used by aborigines.

#### 4.1.4 Brief introduction of Taipei City

Taipei City is located at the Taipei Basin, north of Chinese Taipei, and it is surrounded by New Taipei City. The population in Taipei City is about 2,692,118 (April 2017) and the total area is 271.7797 square kilometers. The density of the population is number one in Chinese Taipei, and is the political, economic, and cultural center of Chinese Taipei.

Taipei became the first special municipality of Chinese Taipei in 1967, and the flourish of economy and international trades for many years has made Taipei the political, financial, transportation, and cultural center of Chinese Taipei. The industrial structure is mainly the secondary industries and tertiary industries, and especially the tertiary has the largest working population. When facing the tread of integrating global economy areas in the future, Taipei City will enhance the development of finance, media, telecommunication, and other industries in order to grow to be an internationalized city. Moreover, Taipei City has abundant and developed traffic network, including MRT system, bus, railway system, airport, and others, which is modern city with complete functions, sound equipment, and prosperous economy.

The status of the religions in Taipei City is basically the same as that in Chinese Taipei, which are mainly Buddhism and Taoism. There are many famous temples in Taipei City, such as Zhinan Temple, Guandu Temple, Longshan Temple, and others. Moreover, the number of Christian and Islam believers in Taipei City is the greatest in Chinese Taipei, which means there is a diverse and flourishing religious culture.

The traveling culture in Taipei is very popular. There is the National Palace Museum that has an abundant collection, Taipei 101, the highest building in Chinese Taipei, or the night markets that have many local features are all the famous tourist spots in Taipei City. The convenient and dense transportation network can take travelers to all the spots quickly, and "Worldwide Index of Global Destination Cities 2014" rated Taipei as number six among the best Global Destination Cities in Asia-Pacific and only second to Hong Kong in Greater China, showing that Taipei has gradually become a great potential popular destination city in Asia-Pacific.

## 5.5 Catering

### 5.5.1 Main Dining Hall

The Athletes' Village Dining Hall is located in a temporary tent on the north-side of the Athletes Village. There are 3500 seats to serve athletes, delegation officials and VIPs with buffet type of services.

The Dining Hall is only accessible to those who have a fork and knife symbol on their accreditation cards and their cards must be swiped to enter. No big items are allowed to be carried into the restaurant, such as backpacks and handbags, the size of which exceeds 30x20 centimeters. Any items exceeding this size limit must be checked in the Bag Check-In Area in the Athletes' Village Dining Hall.

To prevent illness caused by eating spoiled foods, only a piece of fruit, or a bottle of water/soft drink can be taken out of the Dining Hall. If an athlete can't go to the Dining Hall due to illness, food can be taken out for him/her under a certificated doctor's note.

### Dining Hall Operation Hours

Date	August 12 - September 2, 2017	
Breakfast	Main meal	05:00-10:00
	Light meal	10:00-11:00
Lunch	Main meal	11:00-16:00
	Light meal	16:00-17:00
Dinner		17:00-24:00
Late-night snack		24:00-01:00

- ▶ The dinner operating time will be extended to 02:00 on the Opening/Closing Ceremony Night.
- ▶ For athletes attending Golf, Swimming-marathon swimming, Roller sports-marathon, Athletics-half-marathon and 20km walk competitions which are scheduled to start in the early morning from Aug. 24 to Aug. 27, the breakfast service will start from 03:30 on those dates.

### 5.5.2 Menu

The meal choice offered by the Dining Hall will include European/Mediterranean, Asian, Halal, vegetarian and local cuisines. The menu of each meal will be composed of starters, salads, main courses, side dishes, desserts and various seasonal fruits. The menu will be changed on a rotation of 7 days. A menu label alongside each menu item will list ingredients that may cause food allergy. If there is any concern, please consult with the dietician at the nutrition desk.

### 5.5.3 Self-Paid Dining

The lunch and dinner service will be also available on a user-pays basis in the Athletes' Village Dining Hall. Guests who are accredited to enter AV can buy a meal voucher at the catering service desk in the Main Information Center in advance, and the cost is NTD 800 per meal.

### 5.5.4 Meal Box

During the Universiade period (from Aug. 19 to 30), four choices of meal boxes with European/Mediterranean, Asian/Chinese, vegetarian, and Halal or Halal-friendly cuisines, will be provided. If athletes and delegation officials are unable to eat at the Dining Hall due to the competition schedule, delegation can pre-order the meal boxes at the venue meal box ordering website ([www.catering.2017.taipei](http://www.catering.2017.taipei)) before 2pm on the day before the meal boxes are needed. Please note that, if the order is made between 14:00 and 22:00, the venue meal box content will be only available with simple light foods (Late-Order Venue Meal Box).

Every delegation will only have one account. Delegation should place the order with the total VMB quantity of each venue and responsible for the order. Please note that the previous reserving data for each venue will be replaced by the latter one.

Should there be any problem with the venue meal box ordering website, delegations can also apply venue meal boxes to the Catering Service Desk (the Catering Service Desk is in Main Information Center of AV, operating from 07:00 to 22:00). The above-mentioned time constraint for venue meal box ordering still applies when ordering on site. The pre-order of the athletes' meal boxes must be made by filling out a duplicate application form. After confirming, the two hard copies will be stamped by the counter staff, with one copy being given to delegation and the other being filed in the catering service desk. To collect meal boxes at the competition venues, delegation must be signed for to confirm accuracy.

Venue meal boxes collecting time will be:

Lunch: 12:00 to 15:00.

Dinner: 18:00 to 20:00.

However, venue meal box services will only be available for the following sports because their competition schedules are overlapping with the main meal time. These sports include: Taekwondo, Archery, Table Tennis, Diving, Weightlifting, Athletics, Badminton, Tennis, Fencing, Rhythmic Gymnastics, Artistic Gymnastics, Judo, Wushu, and Billiards.

Microwave ovens will be available for providing hot meals at the competition venues that are allowed to serve meal boxes. The catering staff will help use the microwave to heat up the venue meal boxes for athletes and delegation officials.

## 5.6 Medical

### 5.6.1 Summary

Medical services will be provided at the Athletes' Village and at competition and training venues. Specific services offered will vary by the events, and follow-up medical care will be provided by designated hospitals. The Polyclinic is equipped with overnight beds for acute medical problems not requiring hospitalization, Doping control room, and Interpreters. Ambulances are also available for medical emergencies. In addition, the Taipei Universiade Organizing Committee has designated the Linkou Chang Gung Memorial Hospital of the Chang Gung Medical Foundation as the designated hospital. Once a patient at the Polyclinic requires follow-up medical service, the patient will be sent to this hospital for treatment.

The Polyclinic will operate for a total of 22 days from August 12 through September 2. Outpatient service is available from 9:00 to 21:00 (exact operation hours for each department will be based on announcement).

Emergency room and some other medical services will be available 24 hours a day. The Organizing Committee will provide medical services for all registered delegation members.

### 5.6.3 Venue Medical Service

Each competition venue will have at least one athletes' medical station and one spectators' first-aid station. Each athletes' medical station will have one doctor and one nurse, emergency medical technicians (EMT) and physical therapists or athletic trainers to provide competing athletes

with on-site treatment, athletic physical therapy, and injury prevention services. Ambulances will also be available to assist with any emergency medical evacuation to the designated hospital. Chinese Medicine will be provided in three sports, including table tennis, badminton and tennis. The Chinese Medicine doctors provide acupoint massage, Chinese therapeutic manipulation, bandage and cupping service. The venue athletes' medical stations will operate from one hour before the start of competition until one hour after competition finish. See Medical Service Procedure on Figure

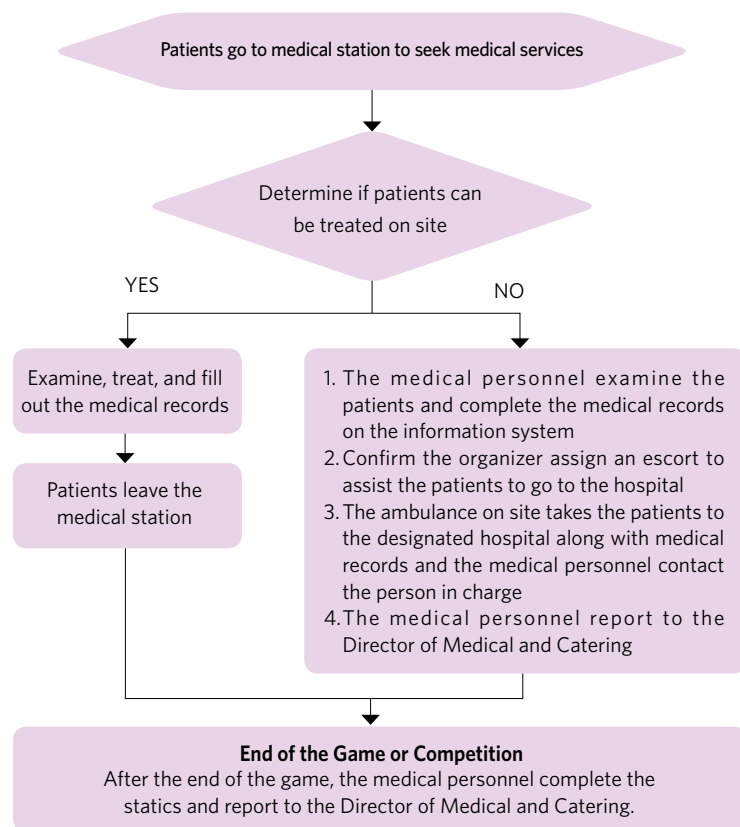

Figure 2017 Taipei Summer Universiade Treatment and Disposal of Patients Standard Operating Procedure

Each training venue will set up a first-aid station with nurses and EMTs to provide emergency care for athletes. Ambulances will also be available in case of emergency patients to the designated hospital. Doctors will also be stationed at the first-aid stations at some of the training venues depending on the needs. The training venue first-aid stations will operate from one hour before practice to 30 minutes after it.

#### 5.6.4 Designated Hospital

Competition and training venues of the Taipei Universiade are located in Taipei City, New Taipei City, Taoyuan City, Hsinchu City, and Hsinchu County. There are 39 designated hospitals for the Universiade, all responsible for emergency service near their local venues. Designated hospitals will follow their agreements with the Organizing Committee to arrange Green Line for expedited services. Any registered delegation members who suffer urgent injuries or illness and require follow-up medical service will be sent to a suitable local designated hospital after triage.

#### 5.7 Tickets

Delegations may access competition venues with their own AD cards to watch the competitions. There are reserve seats in each venue provided on a first come first served basis.

## 5.8 Weather information

### 5.8.1 Weather monitoring

- 1) Instant weather information will be provided for the 21+1 sport venues (including outdoor) and the opening and closing ceremony main venue (Taipei Stadium).

## 6.12 Doping Control

### General Information

Doping Control during the Taipei 2017 Universiade will be strictly conducted by the Organizing Committee according to WADA and FISU regulations in order to ensure a fair competition and promote good sportsmanship.

Doping Control will begin from the opening date of the Athletes' Village and last until the end of the Universiade. Participating athletes must abide by the relevant regulations and follow given guidelines when they have been selected and notified for testing. Any athlete who refuses to undergo testing, or interferes with the testing process, will be considered to have committed a doping violation and be subject to disciplinary action.

### Doping Control Station (DCS)

Doping control stations are designed in accordance with WADA and FISU regulations. Samples for testing are collected in the Doping Control Station of each competition venue and can be collected at the Doping Control Center (Doping Control Station) located within the Athletes' Village.

### Athlete Selection

The FISU Medical Committee will select athletes for testing. Either rank in a competition will be taken into account, or random selection and target testing will be applied.

### Accompanying Persons

Athletes may be accompanied by an additional person (coach, trainer, team doctor, etc.) and an interpreter if desired.

### Reporting to Doping Control Station

The athlete must report to the doping control station in a reasonable amount of time from selection. The athlete will be allowed to attend ceremonies, press conference, etc., as long as they are accompanied by their chaperon.

### Sample Collection

Athletes selected for testing will be notified immediately following the competition and will be under constant visual observation by a chaperon until they enter the Doping Control Station. At the station, sample (urine and/or blood) will be collected in a vessel, then sealed and submitted for transportation to the WADA approved laboratory under the supervision of a Doping Control Officer.

### Athletes Obligation

The athlete must have their Accreditation with them at all times.  
The athlete must report all medications taken in the prior month.  
The athlete must present their TUE Document if he/she has one.

### Testing Organization & Result

Collected samples will be analysed usually within 48 or 72 hours of collection at a WADA-accredited laboratory Tokyo, Japan, Mitsubishi Chemical Medience and results will be directly notified to the FISU Medical Chair. Athletes who test positive for banned drugs and fail the doping test may be subject to disqualification and disciplinary action.

### Additional Controls Requested

A team may request for doping control tests to be performed on an athlete who has not been selected for doping control.

Examples of indications for this request are for National Records, or Target Testing. These athletes have to complete the FISU Doping Control Request Form. They will then be escorted to the Doping Control Station. Costs for these tests will be the responsibility of the requesting organization. Results management for these tests will be the responsibility of FISU and the appropriate International Federation.
