EUROPEAN TAEKWONDO UNION EVENT HEALTH PROTOCOL

INTRODUCTION

The purpose of this Code of Conduct during COVID-19 to prevent the spread of coronavirus (hereinafter “the Code”) is to provide the organizing team and all participants with an overview of health and safety aspects, and the requirements for organizing this European Taekwondo Union event held indoors in the situation of pandemic threat of COVID-19 disease.

The organizer of the competition acts in accordance with local laws and regulations, as well as follows the recommendations of government public health services to reduce the risk to a minimum. Continuous risk assessments, and monitoring of the situation and its changes at the national, and especially at the local level, will ensure valid compliance with the recommended and mandatory health and safety regulations and measures.

The organizer of the competition has taken a clear position and has a policy of personal responsibility. This position takes into account the legal aspects related to the organization of the competition during the pandemic and is made public to athletes, representatives and professional accompaniment of competitors and all those involved in the organization.

The document was prepared according to the instructions and harmonized with the local and national prescribed measures for public gatherings.

Travel to TURKEY

Please check and read carefully following information

<https://www.turkishairlines.com/en-tr/announcements/coronavirus-outbreak/travel-restrictions/index.html>

Scope

The document applies to all participants in the competition and all those who in any way participate in organization and implementation and defines instructions on how to comply with the recommended requirements that the organizer of the competition takes into account in order to protect the personal and public health of all participants:

- athletes
- professional teams accompanied by athletes: coaches, managers, physiotherapists, etc.
- Implementing and organizing committee / professional officials / competition officials
- volunteers and staff (sponsors and partners, OVR, hall insurance and support services)
- members of the medical service and anti-doping control
- media representatives and broadcasters

Roles and RULES

In order to avoid or reduce interactions between persons, the number of those who can attend the event is limited to only those necessary for the operations of the hall, the event and the competition itself.

After the organizer of the competition has established the epidemiological situation, a person has been appointed who is responsible at the event for risk assessment and for the implementation of epidemiological measures that reduce the possibility of infection transmission. This person(COVID-Coordinator) has the role of the central coordinator and the person responsible for communication among the participants in the organization of the competition, ie the organizing committee, the hall managers, the relevant public health institutions and sports teams.

All associates are required to adhere to measures and recommendations to prevent the transmission of coronavirus infection.

Wearing a protective mask in such a way that it covers both the mouth and the nose is mandatory for all regardless of their place of action. Masks are worn in the official hotel of the competition, during the use of the transport service and during the stay in the hall, all the time and without exception, except in the case of competitors, during the competition (during fights).

It is strongly recommended to prepare and wear any types of eye protection such as sports goggle, eye protector or faceshield in a crowded indoor or closed space setting (especially busy areas in the venue or hotel or transportation shuttle) to decrease possible COVID infection through eyes, except in the case of competitors during the competition.

If there is a need to replace gloves or a protective mask, used gloves and masks are thrown in specially designed baskets. Associates operating in the hall are obliged to adhere to the specified corridors of movement, and ALL COMPETITORS and COACHES must leave the hall IMMEDIATELY after the fight.

The organizer will keep a register that includes contacts of competitors and members of their entourage, officials and professionals, which will facilitate the identification and monitoring of further contacts of potentially infected persons. The keeping of the register will be in accordance with local legislation and regulations, and in accordance with the protection of personal data. By accepting the work, volunteering or registering, all participants undertake to give a statement and accept the conditions prescribed by the organizer.

This rulebook is designed for and binds all participants in the organization who accept the stated instructions by taking over the official accreditation.
